

ArtLife presents... *The HipHop Dance Workshops!*

Caribbean Carnival

The Caribbean Islands bring together a myriad of cultural influences in music, dance, art and theatre. History recounts the many triumphs and tragedies of the little island countries populated by French, Dutch, African, Chinese, Indian, British, Scottish and indigenous peoples. The Caribbean's color, costumes and characters are brought to you.

LATIN LINGO

The pulse and tempo of Latino Music and Culture introduces a new language of discovery for every participant. Programs in music, dance, art, storytelling and poetry are performed in English and Spanish. Authentic cultural presentations provide unique learning experiences.

Florida Fun

Celebrating Florida! The unique people, environment and wildlife of Florida are the focus for these entertaining interactive programs. Featuring Florida's talented artists, singers, songwriters, ecologists and historical figures—all inspired by the beauty of unlimited sun, sky and water.

AFRICA IN MOTION

Experience the ever-moving, ever-changing excitement of African Culture. Performers move to the beat of djembe and "talking" drums, sharing their stories in lively, musical, mystical and historical renderings for all ages. Programs to educate and entertain—from African acrobats to storytelling griots, accomplished dancers, drummers, kora, and balafon players ... this is Africa In Motion.
