# Council Chairman Greetings

**Suffragan Bishop Carlton BURREL**

Christian greetings to Bishop Ira Combs Jr., Bishops, Suffragan Bishops, District Elders, Pastors, Council Officers, Evangelists, Auxiliary Leaders, Council members and Friends of the NDC.

This is our first council of the year 2022, and only our second In-person council session since the beginning of the two years of the Covid-19 pandemic. I want to personally thank each of you the members of the NDC for your prayers and outstanding cooperation during these days of uncertainty and in making this council a priority and what it is today. Special thanks to our diocesan Bishop Ira Combs Jr for his spiritual leadership and guidance of this council during these challenging times. Also thanks to the staff of elected officers of the NDC for your work and loyal support of the NDC during these very difficult times. I know that many of you have had hard times and even lost loved ones during this pandemic and my prayer is that God will give you strength to carry on.

Special thanks to District Elder Kenneth Brown and Sis. Brown and the church members of Southeast Christian Church of Burton, Michigan on a fine job hosting our Fall council of 2021. It was our first In-person council since the beginning of the pandemic with many new challenges and their excellent job in every area possible in accommodating the council needs. May God bless you for your willingness to be at the forefront in these last days.

At this Spring council we will be in Westland, MI with Suffragan Bishop Luke McClendon and First Lady McClendon and members of Christ Temple Apostolic Faith Church. It has been quite a few years since we have been in Westland for a NDC council session.

We are excited to be there and looking forward to a great fellowship as we come together and worship the Lord in the beauty of His Holiness. Please come looking for a supernatural move of God and to be blessed, and healed during our worship services in Jesus Name. Our program committee has put together a very enriching program schedule for your enjoyment. We need all of you the members of this great council to be in attendance .

Pastors, leaders, and NDC constituents, thank you again for all that you have done and will do to make our council the best it can be.

We have come this far by faith leaning on the Lord. If God be for us, then who can be against us.

To God be the glory for the things He has done.

We will continue to rise to heights and great strides for the Lord this year and for many years to come.

Lady Gayle Burrel and I are thankful for all of you and love you with the love of Christ.

Yours In Christ's service,

Suffragan Bishop Carlton D. Burrell Sr.

NDC chairman

# Host Church Greeting

*Christ Temple Apostolic Church | Westland, Michigan*

First Lady McClendon and I are excited and are looking forward to hosting the Northern District Council (NDC) here in the fine City of Westland. Our Church family would like to welcome the Honorable Diocesan Bishop Ira Combs Jr. D.D., First Lady Kimberly Combs, Chairman Suffragan Bishop Carlton Burrell, Sr., General Secretary, Evangelist Lynne Shivers, Treasurer, Lady Angie Holman and the entire esteemed Council staff leaders, saints and friends. We welcome you to Christ Temple. It may have been awhile since you have graced your presence in "this temple of God. It is with great expectation that we host this March council of this august body of churches. We extend warm hearted greetings for the Lord has assembled us here for "a time such as this." It is our objective to be such gracious hosts that when you look back in the days ahead, you will believe this was the best Northern District Council you ever attended.

During this time of the Covid pandemic we have missed the fellowship with all the beloved saints of the "Most High God." But God is in control and He is truly a way maker.

We are committed to serve. You will be able to identify our church members wearing purple t-shirts with a gold CT emblem on the left shoulder. If there is anything we can do to enhance your experience here at Christ Temple during the council, please don't hesitate to let us know. Due to the pandemic and according to the CDC Agency recommendation, we ask that everyone practice social distancing. No food will be served, however for your convenience there is flyer information with a list of restaurants in the area as well as other areas of interest. This list is available at the information table.

As we gather here in this Spring session of the Northern District Council, let us commit to making positive changes in this new year. When it comes to positive change, it needs to start first of all with you and me. The more positive change that takes place in our lives, the more we become instruments of positive change in the lives of other people!

In order for us as a Church organization to move to the next level of growth and evangelism, we must first be willing to accept positive change for our lives and in the things that we do. Positive change is required for success.

With warm regards and blessings,

Suffragan Bishop Luke A. McClendon, Jr., Pastor  
Christ Temple Apostolic Church, Westland
