34	<b>John Ackers</b>	1	<b>28</b>	28						
35	<b>Simon Chambers</b>	1	<b>22</b>	22						

### Notes:

The best 7 rounds by each player count towards their total.

COUNT identifies the number of scores counting for each player.

Where players have the same total, players are ordered by best last 9 holes (summed using the players' best scores). If there is still a tie, the best last 6 holes are matched (then last 3 holes and finally best last hole, as required).
