Thank you for donating your new or lightly used gaming consoles, PCs, games, and accessories! Donations like these are the reason we get to do what we do.

Mail any donations to:

**Jeffrey's Clique Inc.**

Before boxing everything up and mailing it to us, please go over this list:

- Shipping via USPS will be the easiest since we are using a PO Box.
- Please **do not** require a signature for delivery.

**If you're donating consoles/PCs**, please make sure they have been restored to factory settings. Click on any of these for a guide on how to do that:

- [Xbox](#)
- [PlayStation – PS4 or PS5](#)
- [PC – Windows](#)
- [PC – Mac](#)
- [Switch](#)
- [Wii](#)

**If you're donating any disk games**, please double-check to make sure the game that's in the case is what the packaging says it is. Please also check the disc for any damage like scratches.

**If you're donating any accessories**, like headphones, controllers, extra cords/chargers, keyboards, computer mice, and so on, we just ask that they are clean and ready to be used!
