

Gas Safety Systems and controllers for laboratories

Backflow preventers, strainers, in building risers, fabricated fittings, pressure reducing valves and grooved

Plumbing control valves and tank and trough valves for the agricultural industry and rainwater harvesting

Stainless steel pipes, floor drains, shower drains and channels for commercial, industrial, housing and marine applications

High quality commercial manual, electronic, laboratory & shower valves.

Complete line of food service faucets

Backflow preventers for irrigation and plumbing systems

Flexible stainless steel connectors for natural gas, liquefied propane gas, and a wide array of other liquids and gases

Enclosures for Backflow prevention assemblies, pumps, meters, control valves as well as custom enclosures.

Filling stations, designers fountains, filters, purifiers and chillers

Acid waste and high purity piping systems

High quality commercial grade plumbing fixture trim.

Lifetime guaranteed oil separators, solid interceptors and chemical waste products.

Digital mixing valves, thermostatic mixing valves, emergency tempering valves & pressure balancing valves.

Backflow prevention products, pressure regulating devices, ball valves, plus other water system products

Lifetime guaranteed grease interceptors.

Engineered solutions for rainwater harvesting, storm water storage, and grey water distribution

Specifications drains, carriers and other drainage specialties
