

MASS Studios Media Wall Cost Guide 2026

This guide helps homeowners understand the real costs behind building a modern media wall. From simple TV feature walls to luxury fireplace entertainment systems, pricing can vary depending on finishes, lighting, electrical work, cabinetry, and overall design complexity.

1. Basic Media Wall Builds

Typical Range: \$2,000 – \$4,000

- Simple TV wall layouts
- Basic framing and paint finish
- Cable concealment
- Clean modern appearance
- Ideal for apartments and smaller rooms

2. Mid-Range Fireplace Media Walls

Typical Range: \$4,500 – \$7,500

- Electric fireplace installation
- LED accent lighting
- Floating cabinets
- Decorative wall finishes
- Most popular option for living rooms

3. Luxury Custom Media Walls

Typical Range: \$8,000 – \$15,000+

- Custom cabinetry

- Wood slat or stone finishes
- Built-in shelving
- Smart LED systems
- Premium luxury design

4. What Impacts Pricing?

- TV size
- Fireplace size
- Electrical relocation
- Hidden wiring
- Cabinetry
- LED lighting systems
- Wall finish materials

5. Common Homeowner Mistakes

- Buying the wrong fireplace size
 - Mounting the TV too high
 - Poor wire planning
 - Not planning storage
 - Using low-quality hardware
