

SCRAPPY LADIES QUILT GUILD OF SOUTHEASTERN COLORADO

STATEMENT OF PURPOSE

The Scrappy Ladies Quilt Guild was started by women of Huerfano County. The group is an all-volunteer, not for profit organization formed for the express purpose of promoting and supporting quilt making in Huerfano and surrounding counties. This support is demonstrated through the presentation of an annual show to exhibit quilts, wearable art, and related needlework projects created by local artists.

Although the focus of the organization is concentrated on the show, the commitment to insure the endurance of the American heritage of quilting and related needlecrafts through education is a charter responsibility.

Our common objective is to share the history, creativity and joy of quilting by encouraging continuing education and sponsoring instruction and guidance through quilt shops, quilting retreats, interactions with other guilds and in various public forums.

The members of the Scrappy Ladies Quilt Guild are dedicated to the promotion and preservation of this unique and historic art form
