

# SCRAPPY LADIES 2019 MYSTERY QUILT

## SECTION ONE

You will need five fabrics for this quilt, in a range of values. The term value is used to describe the lightness or darkness of a color. A limited value range can create a calm mood or subtle design. Strong contrasts lend drama to your work. Using the entire value spectrum creates a beautiful, rich effect.

Very important is the use of contrasting values, that can make or break your quilt design. I will offer two sets of fabric choices to help you see where the contrast must take place in this quilt.

You will choose a focus fabric (1) that will set the color scheme for your quilt. It should be low-valued, the Darkest fabric in the set. From that color scheme you will need two “background fabrics”, one that is the Lightest, high value in your group of fabric (2), and the second that should read Medium Light or Light Medium(3). Those two must offer contrast within the background.

The fourth (4) and fifth (5) fabric should be middle value, a Medium and a Medium Dark. I suggest that these two come from the same color family, which may be influenced by your focus fabric.

### Fabric requirements:

	Basic	To include two borders + binding
1.	1/3 yd	1/2 yd
2.	1-1/4 yd	2-1/8 yd
3.	1-1/4 yd	2-1/8 yd
4.	2/3 yd	7/8
5.	2/3 yd	7/8

**Binding requirement for basic is 1/8 yd**

**Backing for basic is approx. 54 x 72. Full pattern is 64 x 82**
