

AP Center

Your entire AP process in one place

Spend less time on AP and more time optimizing your restaurant's costs.

You need manpower to ensure your accounting department is getting everything sorted in time to close out each month, but restaurants are struggling with labor costs as is.

Valuable time is spent entering and approving invoices, and scheduling and monitoring payments runs. R365's AP Center reduces that burden by **consolidating everything needed to manage AP to one page**. **Colorful callouts show you exactly what items need your attention each day**, and **automation helps simplify and speed up your accounting processes**.

Why Leverage R365's AP Center?

DELIVER AP SNAPSHOTS TO YOUR TEAM

AP Center's home screen summarizes what payments have gone out in the last two weeks so your restaurant operators can always be in the loop.

EASILY STAY ON TOP OF DAILY TASKS

Colorful callouts show you what documents, invoices, and payments need your attention so you can spend less time searching and more time doing.

MANAGE AP IN ONE WINDOW

Experiencing a lot of employee turnover? No, problem, our solution is so easy it requires little training to understand and use. Get your team up and running in a day.

OPTIMIZE YOUR PAYMENT METHOD TO EARN REBATES

Eliminate the burden of weekly payments and earn rebates in the process by leveraging R365 Payments.

Key Benefits

EASILY SCHEDULE PAYMENT RUNS

Need a payment to go out next Tuesday but planning to be out of the office? No problem, schedule payments to go out at a time that works best for your restaurant.

APPROVE OR REJECT PAYMENTS ON THE GO

Need oversight into your team's payables, but find yourself traveling a lot between stores? No problem, add yourself as an approver so you can have final oversight on what gets paid

SOPHISTICATED DRILL DOWN

Need to view all the payments that have gone out recently for a specific vendor? AP Center makes that easy with clickable drill down capabilities that help you find the details you need.
