

R365 Manager Logbook

KEEP YOUR SHIFT MANAGERS ON THE SAME PAGE WITH MANAGER LOGBOOK

Managing a restaurant is chaotic enough without searching through messy, paper-based files for information that explains customer comps, event notes, daily sales variations, or personnel issues.

Never lose another note or miss another memo with R365's Manager Logbook. Logbook enhances shift-to-shift handoff communication by providing one place for managers to communicate shift happenings online.
