DECK BOAT
BUYING GUIDE

Creating Memories

That's what we're all about. Whether we're working on a cool new design, adding an innovative feature, or squeezing in that extra bit of value, all we're thinking about is providing you with the ultimate boating experience that creates memories that will last a lifetime.

Visit us online

By visiting legendboats.com you'll be able to browse our lineup of fishing boats, deck boats, and pontoons, you'll have access to images, videos, pricing and all of the information you'll need before you even see the boat of your dreams in person.

Just call us

Did you know that the Legend Boats Headquarters is in Whitefish, Ontario? We have knowledgeable representatives available to answer your questions and direct you to your nearest Dealer. Call our toll free number, 1.800.461.4050 and start on the path to finding your new boat.

Find your local dealer

With an area to search by your postal code, our website makes it easy to find your Dealer, or you can just click "Schedule a Showroom Visit" and we'll find your nearest dealer and even help schedule a showroom visit!

Chat with us live

We're easy to reach! Whether you're on legendboats.com, Facebook, Twitter or Instagram, our Legend team is ready to answer any questions you may have!

| We Do Things A Little Differently: FAQ | 3 |
| Accessories | 15 |
| Construction | 23 |
| Choose Your Power | 26 |
| WOWranty | 27 |
| Our Story | 30 |

We do things a little differently.

Is Legend Canadian?

Yes. We are a Canadian company. We live and play where you do. We understand boating in the unique Canadian wilderness. It's different here, and that's why each and every model is designed by Canadians and built for Canadians. From thicker aluminum to full stand-up tops, we make sure that Mother Nature is no match for your Legend.

Are Legend boats built in Canada?

Yes and No. Our product developers seek out quality manufacturers throughout North America who can produce in the most cost effective way. By outsourcing component manufacturing and then performing all final assembly, sales, service, and warranty right here in Canada, we ensure that the end product is fit for the Great Canadian outdoors.

It seems like everyone's warranty is pretty much the same. Is that the case?

Well, at first glance it appears that most companies are offering some sort of lifetime warranty, and it's easy to assume that all warranties are the same, but the devil is in the details. By details, we're talking about the fine print. Our **WOWranty** combined with our **Lifetime** hull warranties give you the absolute best warranty coverage, bar none. Not only do we cover more stuff for longer, but the best part is that everything is taken care of right here in Canada.

Someone told me Legend boats are underpowered. Is that true?

No. You can actually power your boat with the engine of your choice. Each Legend boat model is designed and packaged with a Mercury motor large enough to get you and a friend on the water to experience the boating lifestyle with minimal investment. We understand that everyone's boating needs are different, and that the packaged motor may not suit your needs. That's why we make it easy to choose the perfect Mercury outboard to power all of your on-water activities. So, whether you want to troll all day, bring the kids tubing, cruise with your family or pull two water skiers, we'll help you select the engine that's just right.

Why do you only package your boats with Mercury outboards?

We partner exclusively with Mercury because of their proven quality, value, reliability, service and features. With the large number of clients we help onto the water each year in Canada, other outboard manufacturers would love us to package with their brand. Mercury appreciates our business so much, they offer us exclusive savings that we simply pass on to you. That's how we package with the oldest, largest, number one outboard engine brand at such an incredible price. On top of a great price, by purchasing a complete custom package you'll enjoy consistent performance and one-location servicing.

We give you the most standard equipment

We've outfitted our boats with more equipment for less. Things that you would have to pay thousands of dollars extra for with other brands are simply part of our value-packed models. Many of our Legend packages have standard features like Dura-deck vinyl floors, automatic bilge pumps, and a bunch of other great stuff that is optional in other brands. When it comes to value, we're proud to say that nobody compares. We have more equipment for less than any other brand!

You claim your quality is good but your prices are low. How is that possible?

You get what you pay for right? Well in most cases, yes. But at Legend, we never sacrifice quality in order to reduce cost. Our use of quality brand name products in our packages such as Shoreland'r trailers, MotorGuide trolling motors and Mercury outboards - the largest brands in boating - speak for themselves. To keep prices low, we build fewer models in higher volumes and package each model with the same popular features. By purchasing thousands of each component, such as full stand-up tops, fish finders and GPS', we can offer you unbelievably high quality at incredibly low prices. That's how we do it.

Let us help you choose the Mercury motor that's right for you!

- 1** Decide on the performance you want and which activities interest you most: Fish, Cruise, Tube or Ski.
- 2** Each boat shows a list of motor choices with speeds, pricing and weekly payments.
- 3** Choose the motor that gives you the speed and performance you desire that overlaps the activities you want to enjoy.

Deck Boat Accessories

Trailer and Covers

Vibe Cockpit Cover

Designed to protect the cockpit of your new deck boat from front-to-back. This one piece cover protects from damaging elements while moored at the dock. Adjustable support posts prevent water from pooling on the cover. Easily installed, this cover snaps around the perimeter even with the bimini top installed.

Multi-vent Air Circulation System

Vents humidity to let your boat dry quickly.

Vibe D19 and D20 3/4 Enclosure†

The Vibe deck boats deserve an enclosure that is big on features. This 3/4 enclosure has a sloping curtain that extends all the way to the front and offers full visibility. The side and rear curtains complete the enclosure to protect you and your family from the elements.

Weather-Resistant Design

Helps to prevent wind and water from entering the boat, keeping you warm and dry.

† Not to be used for winter storage or during transport

Motor Support

Protect your boat's transom and motor from trailering stress.

55-1921

Legend Motor Covers

Protects the engine cowling, lower unit, and propeller during transport or storage.

115HP - 200HP

Legend Quick Latch Tie Downs (pair)

Our tie downs are quick, easy to use, super strong and secure your boat safely to your trailer.

BTDP3B

Fun and Comfort

VIBE D19 and D20 Full Enclosure[†]

Be comfortable. Be protected. Stay cleaner and drier with our custom full enclosure. You can stand tall and move around freely front to back regardless of weather conditions. A double bimini top as well as a full curtain package is included. Side screens let the breeze in and keep the bugs out.

All-Metal Fittings

Unlike plastic fittings, metal ones are less likely to crack, break, or wear out.

Spare Tire and Rim

14" Don't be left stranded. Having a spare tire will give you peace of mind on your travels to and from the lake.

Spare Tire Carrier

TA0028-16 2"x3" Frames

Spare Tire Carrier provides a safe and secure way to keep a replacement trailer tire assembly on hand when you need it.

Legend Portable Marine Grill

by Kuuma **installation (Approx. 1 hour)**

Add this Stainless Steel BBQ to any deck boat. Cook onboard or take it ashore.

Features:

- Up to 9,000 BTU's
- Total cooking area 165 sq. in.
- Stainless steel tube burner
- All 304 stainless steel construction
- Fold away legs and locking lid
- Locking removable drip tray
- Push button ignition
- Carry bag for portability
- Removable post mount and hardware
- Propane cylinder not included

BBQPOSTKIT

Electric Motors and Accessories

MINN KOTA *Terrova*

More power. More innovation. More than enough strength and intelligence to tackle any obstacle and put it in its place. With 80 pounds of thrust, cool quiet power, an indestructible composite shaft and ingenious technologies like AutoPilot and i-Pilot, Terrova breaks the mold, so you can fish without limits.

Terrova 80 24V

with i-Pilot, Universal Sonar and Bluetooth® with 60" shaft, foot pedal, quick release bracket, and 2 x 60 Amp breaker

Installation (Approx 2 hrs)

1358894 (# 1854036 + #1865106 included)

Upgrade to bow panel with 24 Volt Plug

34604826

Universal Sonar Adapter for Humminbird

MKR-US2-8 7-Pin Adapter Cable
1852068

i-Pilot Wireless GPS Trolling System

The same i-Pilot that lets you lock onto a fishing spot, record and retrace paths, and command speed and steering just got better. Redesigned with a larger LCD screen, more options, and better controls, with dialed in technology that lets you dial in your boat position.

The new i-Pilot system connects via Bluetooth®, allowing for easy software updates to add new features to your system via your smartphone.

Bluetooth® communication allows new i-Pilot to pair with your smartphone, allowing for easy software updates and quick command of speed, steering, Spot-Lock, high speed bypass, and Advanced AutoPilot.

VesselView Mobile[†]

Installation (Approx. 0.5 hours)

Get Connected. Now you can have the power of SmartCraft on your mobile device (iOS or Android) with all the digital data your SmartCraft engine supports! Connect to your engine, and get easy access to maintenance reminders, performance information and diagnostic information. The VesselView Module easily connects to your Mercury outboard.

Key Features

- Connects your Mercury engine (all SmartCraft-capable engines built since 2003 [40 HP and up]) to your iOS® or Android® mobile device via BLE (Bluetooth® Low Energy 4.0).
- See engine data: fuel flow, water temperature, battery voltage, RPM, engine hours.
- Get fault code diagnostic information in clear language so you know what it means, and understand if that fault is something to be addressed when you return back to the dock or it is something more significant.
- Get mapping information and quick access to points of interest such as fuel or restaurants.
- Access the Mercury Dealer Locator and set your Preferred Dealers.
- View handy checklists associated with your boating lifestyle.
- Receive maintenance reminders and keep a maintenance log.
- Supports up to 22 different languages.

8M0115080

[†]May require optional Data Cable and additional labour.

879981T20

Active Trim

Installation (Approx. 3 hours)

Key Features

- As the boat accelerates, the engine will trim out.
- As the boat decelerates, e.g. making a turn, the engine will trim in.
- Active Trim can be overridden at any time by using the manual trim buttons.
- Active Trim allows the boat operator to compensate for changes in boat load, driver preferences, and weather conditions while maintaining full automatic control.
- Active Trim is compatible with Mercury FourStroke outboards from 40 hp and up.

Analog Troll Control Kits **Installation (Approx. 1.5 hours)**

A troll control option for boats with traditional, analog gauges from 40 hp and up. This easy-to-install kit can make controlling the boat/engine speed easy with the push of a button. Adjusts speed by 10 RPM up to 1,000 RPM. Also available without "Y" harness for installations with SmartCraft.

Analog # 8M0083439 Data cable # 879981T20

Ram Mount for Helix 5

The RAM-202-153-202 consists of a 2.5" diameter round base (Universal AMPs Hole Pattern), double socket arm and 1.5" x 3" rectangular base. The rectangular base contains four holes with a center to center pattern of 1" x 2.5".

Installation (Approx .5hrs)

1895106

Ram Mount for Helix 7

The RAM-202-24-202U, powder coated marine grade aluminum mount, consists of a double socket arm mount, one 2.5" diameter round base with the universal AMPs hole pattern and one 2" x 4" rectangular base. Rubber ball and socket technology dampens shock and vibration, as well as allows for almost infinite adjustment and perfect viewing.

Installation (Approx .5hrs)

Legend - Minn Kota Battery Charging Systems

Charge your deep cycle batteries without having to remove them. Choose to charge your batteries using 110V AC, 12V DC or both. With the AC charging kits, simply run an extension cord to your boat and plug it into the included charger panel. For DC charging, simply running your main engine extends your deep cycle battery's charge.

Single Bank Charger

1821032

Installation (Approx 1hr)

Smart Tabs

Installation (Approx. 1 hour)

Smart Tabs react to the water conditions, boat speed, and balance providing maximum performance on any boat.

SX9510-80

Minn Kota DeckHand 40 Electric Anchor Winch Kit

With quick-release bracket, davit, DeckHand 40 remote switch and 20 lbs river anchor.

Automatically raise and lower your anchor at the touch of a button. DeckHand 40 has a 40-lb anchor capacity. Pre-spooled with 100 feet of 800-lb test nylon rope. Universal davit can be mounted at base of DeckHand or in remote position on boat deck. Davit also stows anchor horizontally to eliminate anchor swing. Anchor shackle allows for quick changes between anchors. A special anti-drag system senses the bottom to allow for controlled drifting.

Installation (Approx 3hrs)

DECKHAND 40 KIT

Rokk Wireless Active Waterproof Phone Charger

Installation (Approx. 1 hour)

The ROKK Wireless Active securely holds and wirelessly charges your phone even in the toughest conditions.

- One-handed dock/charge operation
- Instant charging with no connection needed
- 12/24V input compatible.
- IPX6 Waterproof
- Self-aligning grips securely hold your phone
- Qi-certified wireless charging
- Compatible with wide range of device sizes from Apple, Samsung and many more

Deck Boats Construction

Legend Deck boats are constructed to meet high quality standards.

Lifetime Warranty

The Legend Lifetime hull warranty covers material and labour costs to repair any structural defect to the fibreglass hulls including the single fibreglass molded shell and integral structure within.

Gelcoat

22mil ISO-NPG high luster Gelcoat is applied followed by a Blister-Guard barrier coat to protect the overall appearance of your deck boat giving you a 5 Year Gelcoat Blister Warranty.

Coremat

In order to maximize quality, a 2mm coremat is applied to each deck.

Woven Roving material

Alternating layers of 24oz woven roving is applied.

Bi-Axial Fibreglass

18oz of bi-axial Fibreglass is applied to each deck.

Fibreglass Matting

60mil fibreglass matting fully covers all stringer components.

Gator Shield Protection

In order to protect your deck boat against rust and water intrusion, a Gator Shield protective coating, which acts as an anti-shock and reduces noise, is applied to any unfinished surfaces.

The NMMA label on a Legend boat is your proof that it meets, and often exceeds, the industry's strictest quality and safety standards.

Reverse Chine Hull

Each Vibe has bottom side edges at the rear of the boat that angle downward to create lift in the back for faster planing and increased stability.

Modified Dihedral V-Hull

This revolutionary deck boat hull design virtually eliminates rough ride and rocking motion, while air injection vents provide a smooth, dry and stable trip that any rider could appreciate. Dihedral in the planing hull world is a term used to describe a deeper Vee down the centerline with two outer sponsons with reversed chines. These work together to eliminate side-to-side rocking and tendency to tip. This hull was specifically designed for a smooth ride in rough water. While you throttle up, you will quickly climb onto plane and have essentially no bow rise restricting visibility at the helm. These vented chines assist with lift.

Stringer System

The integrated stringer system provides unmatched strength and durability. All components are encapsulated in fiberglass.

Hull Bottom Protection

In order to increase strength to the hull bottom, an 8 inch overlap is made to ensure your deck boat is well protected.

Freight Charges by Zone.

| Zone | ON, QC | MB, NB, NS, PEI | SK | AB | BC | NL |
|-----------------------|--------|-----------------|---------|---------|---------|---------|
| Vibe D19 or D20 | No Fee | \$925 | \$1,125 | \$1,550 | \$1,825 | \$2,925 |
| Vibe D21 FW or D23 FW | No Fee | \$1,175 | \$1,450 | \$1,950 | \$2,275 | \$3,675 |

 = Headquarters Whitefish, Ontario

Freight Surcharges:

| Zone | ON, QC | MB, NB, NS, PEI | SK | AB | BC | NL |
|-----------------------|--------|-----------------|-------|-------|-------|---------|
| Vibe D19 or D20 | \$300 | \$300 | \$350 | \$475 | \$525 | \$900 |
| Vibe D21 FW or D23 FW | \$375 | \$375 | \$425 | \$600 | \$700 | \$1,100 |

*We only print one version of our catalogue for all of Canada. Customers outside of Ontario and Quebec will have a small fee for freight. Visit us at legendboats.com for your local, ALL-IN, No-Fee Price including current promotions and current premium package pricing.

No Fee Setup and Orientation

All of the components of your boat, motor, and trailer package have been specially chosen for compatibility. The professionals at your authorized Legend Dealership will help you select the proper motor and options for your package. They will then prepare your package to ensure proper and worry-free operation.

The setup includes the following items: control box, shift cables, starting battery, aluminum propeller, outboard installation and set-up. Your dealer will prepare your package and give you a full orientation to ensure trouble-free boating from day one.

* Freight charges outside of Zone 1 (Ontario and Quebec), licenses, and taxes are extra on all prices. Delivery is available at an additional cost. Payments are calculated with licenses, bank registration charges, and taxes as your downpayment at 5.99% over 1,040 weeks for amounts \$23,000 and higher, 5.99% over 780 weeks for amounts between \$10,000 and \$22,999, and 7.99% over 364 weeks for amounts less than \$10,000 (at time of printing). All financing is OAC. Payments will vary by province. All Choose your power prices are in addition and only available with the purchase of the specific package they are listed with; they are not stand alone motor prices. Towing weights are approximate and are calculated based on a full tank of fuel and 200 pounds for batteries and gear. Speed tests were done with 2 persons, 50 pounds of gear and proper weight distribution. Actual performance may vary. Prices, rates and specifications are subject to change or error. Pictures may show options. Ask for complete details. All illustrations, photographs and specifications in this catalogue are based on the latest product information. See actual boat for complete accuracy. Legend reserves the right to make changes at any time, without notice, in prices, colours, materials, equipment, specifications and models, and to discontinue models or equipment. For information on accessories, contact your local Legend dealer.

Please refer to your provincial laws regarding trailer brakes and ensure that your boat package and tow vehicle comply with the regulations in the provinces you intend to travel in. Brakes may be required in certain circumstances and can be purchased as an option or your trailer model can be upgraded before delivery if brakes are not available on certain trailers. It is your sole responsibility to ensure you comply with all provincial brake requirements for vehicles and also that you always operate your tow vehicle safely. Legend Boats accepts no responsibility with regards to provincial compliance.

At legendboats.com, you'll find a fully-priced electronic version of our catalogue as well as additional pictures and special offers. Always distribute passengers and cargo evenly, wear a PFD and follow the rules for safe boating. Visit: www.tc.gc.ca/boatingsafety

Choose Your Power.

Ask your Legend dealer to help you select the Mercury outboard that best suits your needs from the motor choices below. Use the chart that corresponds with the standard engine packaged with your boat model. Simply add the amount to the standard package price to have the motor that is perfect for you.

E = Electric Start

L = Long Shaft

XL = Extra Long Shaft

PT = Power Trim and Tilt

CT = Command Thrust

6-YEAR WOWRANTY

A warranty that makes you say wow!

Sure we've always had the industry's best warranties on the structural parts of our boats, like the welds, main riveted seams, pontoon tubes, decks and transoms, but what about everything else in your boat? Well, most companies offer a 1 year warranty on the other stuff and some offer up to three years. Although this is very respectable, we figured we'd double that. Legend's 6 Year WOWranty covers most other components for 6 long years. That gives you a lot of worry-free, quality, memory-makin' time.

*For more details, visit
www.legendboats.com/wowranty

3-Year Mercury Warranty

Every Mercury 4-Stroke outboard is backed by a 3-year standard limited warranty to give you peace of mind. Ask us about Mercury Product Protection to extend your Mercury Factory Warranty for up to 8 years.*

Legend Glide-On 5+1 Year Trailer Warranty

Every Legend Glide-On trailer by Shoreland'r is backed by a 5 year frame warranty and 1-year complete tongue to tail light warranty.*

Fibreglass Lifetime Warranty

The Legend Lifetime hull warranty covers material and labour costs to repair any structural defect to the fibreglass hulls including the single fibreglass molded shell and integral structure within.*

Legend ProTech 5+1 Year Canvas Warranty

Legend ProTech All-Synthetic Tear and Mildew-Resistant Material is backed by a 5 Year Warranty and guaranteed not to rot or fade for five years. Stitching, zippers, seams and other top components are covered for 1 year.*

Our Story

In 1968, two young friends, Vic Duhamel and Carl Dewar decided to start a business. Over the years, they sold products ranging from tires to RVs before realizing how much they loved helping people onto the water and into the boating lifestyle. There were two big issues that they found. Buying a boat was much too difficult, and there really wasn't a boat designed for the Canadian environment.

In 1986, with the goal of simplifying the ownership experience and offering a boat designed by Canadians and built for Canadians, Legend Boats was born. Vic and Carl started by creating affordable and complete boat, motor and trailer packages. They beefed up their boats with thicker aluminum and made full stand-up tops standard on every full windshield model. This ensured that every Legend boat could handle the rugged Canadian climate while keeping boaters safe and comfortable.

Seven children and fifteen grandchildren later, Legend is proud to have the same owners and same focus on family values as it did over 35 years ago when Vic and Carl decided to dedicate their lives to making it easier and more affordable to get on the water. We can't wait to welcome you to the Legend Family so that you can start creating your memories!
