We Do Things A Little Differently: FAQ	3
Accessories	61
Construction	69
Choose Your Power	72
WOWranty	73
Our Story	76

We do things a little differently.

Is Legend Canadian?

Yes. We are a Canadian company. We live and play where you do. We understand boating in the unique Canadian wilderness. It's different here, and that's why each and every model is designed by Canadians and built for Canadians. From thicker aluminum to full stand-up tops, we make sure that Mother Nature is no match for your Legend.

Are Legend boats built in Canada?

Yes and No. Our product developers seek out quality manufacturers throughout North America who can produce in the most cost effective way. By outsourcing component manufacturing and then performing all final assembly, sales, service, and warranty right here in Canada, we ensure that the end product is fit for the Great Canadian outdoors.

It seems like everyone's warranty is pretty much the same. Is that the case?

Well, at first glance it appears that most companies are offering some sort of lifetime warranty, and it's easy to assume that all warranties are the same, but the devil is in the details. By details, we're talking about the fine print. Our **WOWranty** combined with our **Lifetime** hull warranties give you the absolute best warranty coverage, bar none. Not only do we cover more stuff for longer, but the best part is that everything is taken care of right here in Canada.

Someone told me Legend boats are underpowered. Is that true?

No. You can actually power your boat with the engine of your choice. Each Legend boat model is designed and packaged with a Mercury motor large enough to get you and a friend on the water to experience the boating lifestyle with minimal investment. We understand that everyone's boating needs are different, and that the packaged motor may not suit your needs. That's why we make it easy to choose the perfect Mercury outboard to power all of your on-water activities. So, whether you want to troll all day, bring the kids tubing, cruise with your family or pull two water skiers, we'll help you select the engine that's just right.

Why do you only package your boats with Mercury outboards?

We partner exclusively with Mercury because of their proven quality, value, reliability, service and features. With the large number of clients we help onto the water each year in Canada, other outboard manufacturers would love us to package with their brand. Mercury appreciates our business so much, they offer us exclusive savings that we simply pass on to you. That's how we package with the oldest, largest, number one outboard engine brand at such an incredible price. On top of a great price, by purchasing a complete custom package you'll enjoy consistent performance and one-location servicing.

We give you the most standard equipment

We've outfitted our boats with more equipment for less. Things that you would have to pay thousands of dollars extra for with other brands are simply part of our value-packed models. Many of our Legend packages have standard features like Dura-deck vinyl floors, automatic bilge pumps, and a bunch of other great stuff that is optional in other brands. When it comes to value, we're proud to say that nobody compares. We have more equipment for less than any other brand!

You claim your quality is good but your prices are low. How is that possible?

You get what you pay for right? Well in most cases, yes. But at Legend, we never sacrifice quality in order to reduce cost. Our use of quality brand name products in our packages such as Shoreland'r trailers, MotorGuide trolling motors and Mercury outboards - the largest brands in boating - speak for themselves. To keep prices low, we build fewer models in higher volumes and package each model with the same popular features. By purchasing thousands of each component, such as full stand-up tops, fish finders and GPS', we can offer you unbelievably high quality at incredibly low prices. That's how we do it.

Let us help you choose the Mercury motor that's right for you!

- 1** Each pontoon boat shows a list of motor choices with pricing and weekly payments.
- 2** We've highlighted the most popular engines on each model to make your motor choice easy.
- 3** Choose the motor that gives you the efficiency you want or the speed desired for the activities you plan to enjoy.

An aerial photograph of a pontoon boat on a body of water. The boat is light-colored with a large, dark blue canopy covering the rear half. A person wearing a blue jacket and a hat is standing on the deck near the front. The water is dark blue with some ripples. The text "CHOOSING THE RIGHT PONTOON IN 4 EASY STEPS" is overlaid in large, white, bold, sans-serif capital letters across the middle of the image.

CHOOSING THE RIGHT PONTOON IN 4 EASY STEPS

Shopping for a pontoon boat can be overwhelming. There are so many brands, models and layouts to choose from. At Legend, we want to make the shopping experience as simple as possible in order to help you find the perfect pontoon boat.

CHOOSE YOUR:

1. Layout

By breaking down the standard pontoon boat layouts, it will help you filter down to the pontoon that is best suited for your needs. No matter your preference, there's a Legend Pontoon just for you.

See "Pontoon Layouts" on the next page.

2. Style

Each Legend pontoon boat series delivers unique characteristics for your personal style.

When looking at each series, take notice of the flooring, console, fabrics, lighting, and all of the other tiny details that add up to the fit and finish you prefer. These are the areas that make each series stand out from the crowd.

3. Model

The combination of style and layout reveals the pontoon that was made just for you.

Find the model that gives you everything you need and want by following the handy All Models spread.

4. Performance

Many of our pontoon boats allow you to choose your desired performance by selecting a traditional 2-tube or upgrading to a 3-tube sport package. The difference in pricing and performance can be found on each individual model's page.

For an overview of what the differences are, see "2-Tube or 3-Tube."

Pontoon Layouts

Which configuration is right for you?

By breaking down the standard pontoon boat layouts, it will help you filter down to the pontoon that is best suited for your needs. No matter your preference, there's a Legend Pontoon just for you.

Dual Lounge

Keep the comfort of the front-end chaise lounges and go above and beyond with adjustable rear benches. These benches seem simple at first glance, but you'll be amazed at how many choices they transform into with a simple push or pull. Face forward, face rearward, lounge with a friend or two or more.

Lounge

Lounge models give you a 360 degree seating configuration letting your family and friends enjoy each other's company whether at the back or front of the pontoon boat. Lounge models offer open space, larger rear decks, center entry doors and great weight distribution.

Entertainer

The Entertainer layouts are tailor-made for gathering together. If you look forward to dinner parties with friends and completely understand the value of sitting around the table with your family, this is the layout for you. Time will seem to slip away while you're living in the moment.

Cruise

The Cruise configuration features an L-shaped couch and table to make gathering around the snacks easy. The layout also features loungers upfront for the perfect relaxation zone. Some models feature a rear sundeck. Whether you want to relax or gather with friends and family, this pontoon can do it all.

Cottage

The Cottage layout features an L-shaped couch in the center plus a large comfortable, rear-facing bench seat. Use this space to watch the fun as your family jumps off the rear deck for a swim. Or, allow the stress of the work-week to melt away as you take in the view of the nature that surrounds you.

Flex

The Fishing configuration has all of the cruising comfort upfront while focusing on fishing at the stern. These flex models come with a fishing station that includes a massive aerated livewell, 2 fishing seats, rod holders and space for everything an angler would want or need.

Choose Your Performance

2-Tube or 3-Tube?

Choose your desired performance by selecting a traditional 2-tube or a 3-tube sport performance package.

2 Tube Packages

Most Legend pontoon boats come equipped with two tubes and can be run with minimal horsepower. Two tube pontoon boats provide stability and maneuverability which makes them great for cruising, fishing and a comfortable day out on the water.

Q-Series LE

Q-Series

E-Series

3 Tube Sport Packages

Upgrading to a triple tube and a higher horsepower will give you better handling and performance so you can ski, wakeboard and tube with ease. Each series below offers a unique sport triple tube package:

E-Series

Sport Pro Performance Package

- Two full-length outer tubes with performance enhancing lifting strakes on the inside of each tube.
- A full-length centre tube with performance enhancing lifting strakes and an integrated transom.
- An underfloor aluminum performance shield.
- Hydraulic assist steering.
- Stainless steel ski/wakeboard bar.

Q-Series + V-Series

Sport Pro Performance Package

- Two full-length outer tubes with performance enhancing lifting strakes on the inside of each tube.
- A full-length centre tube with performance enhancing lifting strakes and an integrated transom.
- An underfloor aluminum performance shield.
- Hydraulic assist steering.

Available on all Q-Series models. Included on Q-Series Cruiser WS, V-Series Lounge, Dual Lounge and Entertainer.

V-Series

Sport Pro Prestige Package

Prestige Packages get upgraded 27" tubes for better performance and handling

- Two full-length outer tubes with performance enhancing lifting strakes on both the inside and outside of each tube.
- A full-length centre tube with performance enhancing lifting strakes and an integrated transom.
- An underfloor aluminum performance shield.
- Hydraulic assist steering.
- Stainless steel ski/wakeboard bar.

Available on V-Series Lounge, Dual Lounge and Entertainer. Included on V-Series AquaTower.

Q-SERIES LE

**OUR MOST VALUE-PACKED PONTOON BOAT WITH SO MANY
FEATURES AND CREATURE COMFORTS.**

Q-Series LE 19 Lounge • Q-Series LE 19 Cruise • Q-Series LE 21 Lounge • Q-Series LE 23 Lounge

PREMIUM CONSOLE, VALUE PRICED.

The first thing you might expect on a value-priced pontoon boat is for it to have as few features as possible. Not so with the Q-Series LE. Every one of these pontoon boat consoles come loaded with features.

CAPTAIN'S CHAIR

The Q-Series LE's captain's chair swivels 360° and can slide forwards or back to your comfort zone. The cushions are supremely comfortable. And the material is easy to wipe down and keep clean.

AMPLE SEATING AND STORAGE

You'll find ample seating and storage across this entire line of pontoon boats. Nearly every bench conceals a cavern of storage space.

INTEGRATED CHANGEROOM

Change in and out of your swimwear in the convenient pop-up changeroom.

LOTS OF SPACE AT THE BACK

The seating and storage options continue at the back of every Q-Series LE model: L-shaped couches. Benches that convert into beds. And couches so big they might as well be beds themselves.

ALUMINUM BOARDING LADDER

The oversized boarding ladder is perfect for easily getting in and out of the water.

Q-SERIES

REINVENTED. REIMAGINED. REBORN.

Q-Series Cottage • Q-Series Lounge • Q-Series Flex • Q-Series Lounge Plus • Q-Series Dual Lounge • Q-Series Entertainer • Q-Series Cruiser WS Sport PRO

TWO COLOUR PACKAGES TO CHOOSE FROM

All of the Q-Series pontoon boat models come in both the Steel Blue and Black-Out Package.

LET THERE BE LIGHT

The pontoons in the Q-Series are positively lit. Navigational lights, anchor lights, onboard inlaid LED lighting. There's no such thing as dark waters when you're riding one of these boats.

PLUSH ULTRA-SOFT VINYL

From seats to headrests, every resting surface is upholstered with easy-to-clean vinyl. Even the floor is vinyl. Simply hosing down your pontoon boat is usually all that's needed to make it shine like new.

TAKE A LOAD OFF

Lay back and put your feet up on these incredible loungers. The soft vinyl will feel great on your skin, even in the most direct sunlight of summer's hottest days. You'll find yourself taking a snooze even when the boat is ashore.

LOUNGES AND COUCHES AND SOFAS, OH MY

Every pontoon boat in the Q-Series comes with multiple lounge areas. Built-in headrests. Booming speakers. A ridiculous amount of hidden storage. Even your living room will be envious.

IT'S THE CLIMB

What holds most people back from jumping off their pontoon boat and into the water is the challenge of getting back on. Not so with our pontoon boats. Every boat comes standard with a retractable stainless steel ladder on the rear deck.

These details are what make the **Legend Difference**

Fishing station with livewell, cutting table, rod holders, drink holders, and twin seats.

Sit up to 3 people around the dinette for drinks, snacks, or a game.

Put your feet up and lay your head back on one of two lounge sofas.

Hidden storage at every turn: under the benches, behind back rests. Everywhere.

Hidden pop-up change room provides privacy to get changed for a dip in the lake.

Large telescopic stainless steel boarding ladder makes it easy to climb aboard from a dip in the lake.

V-SERIES

MEET THE ULTIMATE LUXURY PONTON BOAT.

V-Series Lounge • V-Series Dual Lounge • V-Series Entertainer • V-Series Aqua Tower

AT THE HELM

Comfort on the V-Series starts with the fully upgraded captain's helm: Fibreglass helmstands. Touchscreen Bluetooth stereos with SiriusXM. Tilt steering. Fully adjustable, 360° swivel, high-backed captain's chairs. Inlaid blue console lighting.

FEEL THE VIBRATIONS

The speakers on the V-Series are decked out in chrome, and inlaid with blue lights for your evening enjoyment. With 4-6 speakers and 5-channel amp, they'll be able to feel the vibrations back on shore.

BABY-SOFT LUXURY VINYL

Every cushion is upholstered with ultra-soft vinyl. Easy-to-clean. Plush.

SOFT-STEP TEAKWEAVE FLOORING

The flooring across these pontoon boats are all made with plush, soft-step TeakWeave. It feels absolutely great on your feet. Make sure to go barefoot to get your full money's worth.

SMART DASHBOARD

Upgrade to the Prestige Package to get the dashboard. This 7" configurable touchscreen has all of your gauges and controls. Control your lights, your livewell, your bilge, and more. All from one device.

SKI TOW BAR

With the built-in tow bar, you're all set to tackle any water sport. Water skiing. Wakeboarding. Tubing and Kneeboarding. There's no limit to the fun to be had.

Pontoon Boat Accessories

Pontoon Enclosures

Extend Your Boating Season.

Add an enclosure to any Legend pontoon and extend your boating season. Our quality enclosures will keep you warm and dry, protect you from the sun, help keep the bugs out and even let you go camping for the weekend.

Full Enclosure⁺

Be comfortable. Be protected. Stay cleaner and drier with our custom full enclosure. You can stand tall and move around freely front to back regardless of weather conditions. A double bimini top as well as a full curtain package is included. Side screens let the breeze in and keep the bugs out.

⁺Available on the following models:

All Q-Series LE Models (Black)

All E-Series Models (Black or Navy)

All Q-Series Models (Black or Navy)

All V-Series Models (Black)

All Snaps are Installed Through Thick Legend ProTech Material

Our strong material provides a solid fastening point as opposed to plastic, which snaps could tear through easily.

Synthetic Top Construction

You'll be protected rain or shine with our all-synthetic, tear-resistant bimini top construction.

Strong 1 1/4" Square Tubing and All-Metal Fittings

Unlike plastic fittings, metal ones won't crack, break, or wear out.

Double Stitching

All main zippers are double-stitched to provide lasting quality in the areas that receive the most stress.

Bug Screens with Roll Down Windows

Bug screens are included to let the breeze in and keep the bugs out.

Trailer

Triple Tube Trailer Kit

Add these bunks to your pontoon trailer when choosing a Sport Performance Package to support the center tube.

TA0232-16

Two-piece Mooring Cover†

Designed to cover your new E-Series, Q-Series, Q-Series LE and V-Series pontoon boat from front-to-back. This two-piece cover protects from damaging elements while moored at the dock. Adjustable support posts prevent water from pooling on the cover. Easily installed, this cover snaps around the fencing even with the bimini top installed.

Legend Portable Marine Grill Kit by Kuuma

Add this Stainless Steel BBQ to any pontoon boat. Cook onboard or take it ashore.

Features:

- Up to 9,000 BTU's
- Total cooking area 165 sq. in.
- Stainless steel tube burner
- All 304 stainless steel construction
- Fold away legs and locking lid
- Locking removable drip tray
- Push button ignition
- Removable post mount and hardware
- Propane cylinder not included

Installation (Approx. 1 hour)

Includes:

Carry bag for portability plus removable post mount and hardware.

BBQPOSTKIT

Minn Kota DeckHand 40 Electric Anchor Winch Kit

With quick-release bracket, davit, DeckHand 40 remote switch and 20 lbs river anchor.

Automatically raise and lower your anchor at the touch of a button. DeckHand 40 has a 40-lb anchor capacity. Pre-spooled with 100 feet of 800-lb test nylon rope. Universal davit can be mounted at base of DeckHand or in remote position on boat deck. Davit also stows anchor horizontally to eliminate anchor swing. Anchor shackle allows for quick changes between anchors. A special anti-drag system senses the bottom to allow for controlled drifting.

Installation (Approx. 3 hrs)

DECKHAND 40 KIT

Legend 'Toon Fender

The innovative Legend 'Toon Fender provides outstanding protection for your pontoon boat. Molded from tough PVC and equipped with a dual hooking system which attaches directly to the pontoon to prevent the fender from popping up and flying around.

TOONFENDER

Q-Series Ski Tow Bar

Installation (Approx. 2 hrs)

Add this stainless steel ski and wakeboard bar to any Q-Series pontoon.

126102

MinnKota E-Drive Kit Installation (Approx. 4 hrs)

For electric-only lakes or for those who want powerful but quiet propulsion, look no further than the Minnkota E-Drive. E-Drive provides 2hp that can move a full-sized pontoon up to 5 mph and run for up to 2 hours at 100% on a single charge!

Includes:

- Minnkota E-Drive
- Minnkota MK 440D Charger (4 bank x 10 amps)
- Power Port
- 4 Group 27 Deep Cycle Batteries
- 4 Battery Trays

EDRIVEKIT

Pump-Out Toilet Kit with 2.5 gallon tank

Installation (Approx. 3 hrs)

Includes:

- Mounting Brackets
- 1.5" MSD Fittings
- Built-in deodorant compartment
- Holding tank level indicator

51-311196402

*Only available on certain models, see dealer for details.

ROKK Wireless - Active Installation (Approx. 1 hr)

Securely holds and wirelessly charges your phone even in the toughest conditions. The high-grip, self-aligning jaws ensure your phone is held tightly and in the optimum charging position every time. Compatible with wireless charging enabled phones of all sizes from all major brands including Samsung, Apple and many more.

SC-CW-04E

Legend Glide-On Pontoon Trailers

Open your horizons and add adventure to your boating season by exploring all of the lakes in your area. Hit the road with one of our custom pontoon trailers that make loading and towing amazingly easy.

ShoreArm'r Paint

Our premier ShoreArm'r Black powder coat paint is a textured matte black coating. It is applied electrostatically and baked on for a chip resistant heavy-duty finish.

Front Boarding Ladder

Strong and sturdy ladder with safety hand rail.

Self-Lubricating Bearing Buddies

Automatically injects grease to the bearing resulting in less wear.

Self-Centering Carpeted Bunk Design

The pontoon loads straight, stops easily and is supported over its full length for even weight distribution.

Enclosed Custom-Moulded Fenders

Non-corroding and dent-resistant, they protect your boat from road debris and provide a safe, solid step.

Adjustable 2" Ball Safety Coupler with Locking Pin

The coupler easily adjusts for greater hold and the pin prevents release while travelling.

Heavy-Duty Nylon Winch Strap

The threaded seam is protected from the elements with a 3' loop that eliminates stress on stitching.

Lights With Rear Built-In Step

Reliable, submersible lamp service while the step protects the tail lights and allows access to the boat.

5+1 Year

Legend Glide-On
Trailer Warranty

Welded Tubular Steel Frame

Strong, clean construction with less bolts to worry about, plus the tubular design provides protective housing for wiring. This is by far the best frame in the industry, covered by the best warranty; a 5-year frame warranty and 1-year complete tongue to tail light warranty.

Extra-Long Safety Chains with Locking Clips

Secure safety chains will not tangle or kink like cables. Easily reaches most vehicles and clips prevent unlatching during travel.

Reverse-Angled Winch Stand with Oversized Padded Bunks

Prevents unwanted forward movement during sudden stopping. They safely stop the pontoon during loading and holds it in place during transportation.

Each Light Has Its Own Power Source and Ground Wire

Keeps your lights bright and working at night, even if one goes out.

A cost-effective way to add shade to the front of your pontoon boat.

Sunblockr Shade System.

Our lightweight breathable canvas wicks moisture, dries quickly and provides an effective UV block of 98% with its outer UV coating. Enjoy your favourite spot on the lake while providing shade to your friends and family on those hot sunny days with the all new Sunblockr shade system.

Includes:

- ✓ Canvas
- ✓ 2 Floor mounting Brackets
- ✓ Two fully adjustable 7/8 Inch anodized aluminum poles
- ✓ 2 adjustable Bimini Straps
- ✓ 2 adjustable Pole Straps with integrated grommets
- ✓ Carry/Storage Branded Bag

Note: Sunblockr Shade System is for use while stopped or under 5 mph. Not for use when winds exceed 20 km/h.

Lifetime Limited Transferable Structural Warranty.

Exclusive to Q-Series LE, Q-Series and V-Series

Lifetime Warranty Includes:

Pontoons, crossbeams, seat frames, motor mounts, wood decking and rail structure.

10 Year Limited* Transferable Bow to Stern warranty on all other components on your boat.

For more details, visit
www.legendboats.com/wowranty

Q-Series LE, Q-Series And V-Series Construction

EZ-Flow Ventilation

The aluminum seat frames have external and internal air flow that dries out the seat compartments while underway or at the dock.

Thick Lifetime Decking

A thicker floor means a stronger pontoon. With 7 layers, each individually treated, we can offer a Lifetime Warranty against rotting. Each seam is sealed with LockOut sealing adhesive and is lined up over a cross member for exceptional dryness.

Suspension Seating

This unique suspension seating is made up of a multi-directional stretch substructure backing, an added adhesive layer, followed by a heavy marine grade vinyl making up for a 50-ounce total vinyl covering, giving your passengers a smoother ride every time.

Thick 40 Gauge Quiet and Raised Fences

All thick .40 gauge fence panels are installed with anti-vibration foam to keep them quiet. They are installed with 3/8" risers to provide water runoff and exceptional ventilation.

EZ-Drain Tubes

Each section of the tubes are connected to one another by a small channel that allows any condensation to drain completely to the back of the tube and out of our Sure-Lock threaded drain plug.

Triple-Protected Tube Design

Our pontoons are divided into three separate compartments and sealed, making them air tight even in the event of a puncture. If the air can't get out, water can't get in.

Stainless Steel Fasteners

Stainless steel fasteners are used to attach the decking to the substructure. These provide a far stronger hold than pop rivets for years of problem free boating.

Wave-Slicing Wide Nose Cones

The wide nose cones deflect spray keeping you dry on the water, while the lifting fins provide the ultimate performance for a smooth ride every time.

Robust Construction

This solid frame construction includes a double bolted transom, double solid full risers that are all connected together with double bolted .190 U-bar crossbeams on 2 tube pontoon models or .125 Hat channel crossbeams on 3 Tube pontoon models. We use .250 gauge U-bars at the bow and stern for unbeatable strength.

Thick Side Protector Keel (3-Tube Models Only)

Our thick side protector keels on the nose cones provide great protection against accidental side impacts at the dock.

The NMMA label on a Legend boat is your proof that it meets, and often exceeds, the industry's strictest quality and safety standards.

E-Series Construction

Stainless Steel Hardware

Using stainless steel elevator bolts and fasteners instead of pop rivets to attach our decking to the substructure results in a strong, reliable boat for years to come.

F-style Rub Rail Support

The outside deck edge is covered with this unique F-Style rub rail which clips onto the deck and is fastened securely with stainless bolts. It prevents unnecessary sagging edges and reinforces the entire deck.

Thick Lifetime Decking

A thicker floor means a stronger boat. With 7 layers, each individually treated, we can offer a Lifetime Warranty against rotting. Each seam is sealed with LockOut sealing adhesive and is lined up over a cross member for exceptional dryness.

No-Rot Seat Bases

Made with thick roto-cast material means they can never rot, no matter how wet they get. They even have integrated drainage channels so your gear stays drier as well.

Full-length Heavy-Duty V-keel

Our dual-purpose keels provide great protection against unseen obstacles or sandy beaches, while at the same time adding great control even in wind.

Triple-protected Tube Design

Our pontoons are divided into three separate compartments and sealed, making them air tight even in the event of a puncture. If the air can't get out, water can't get in.

EZ-Drain Tubes

Each section of the tubes are connected to one another by a small channel that allows any condensation to drain completely to the back of the tube and out of our Sure-Lock threaded drain plug.

Wave-slicing Wide Nose Cones

The combination of pointed nose cones with spray deflecting lifting fins means you will have a smooth and dry ride in every Legend pontoon.

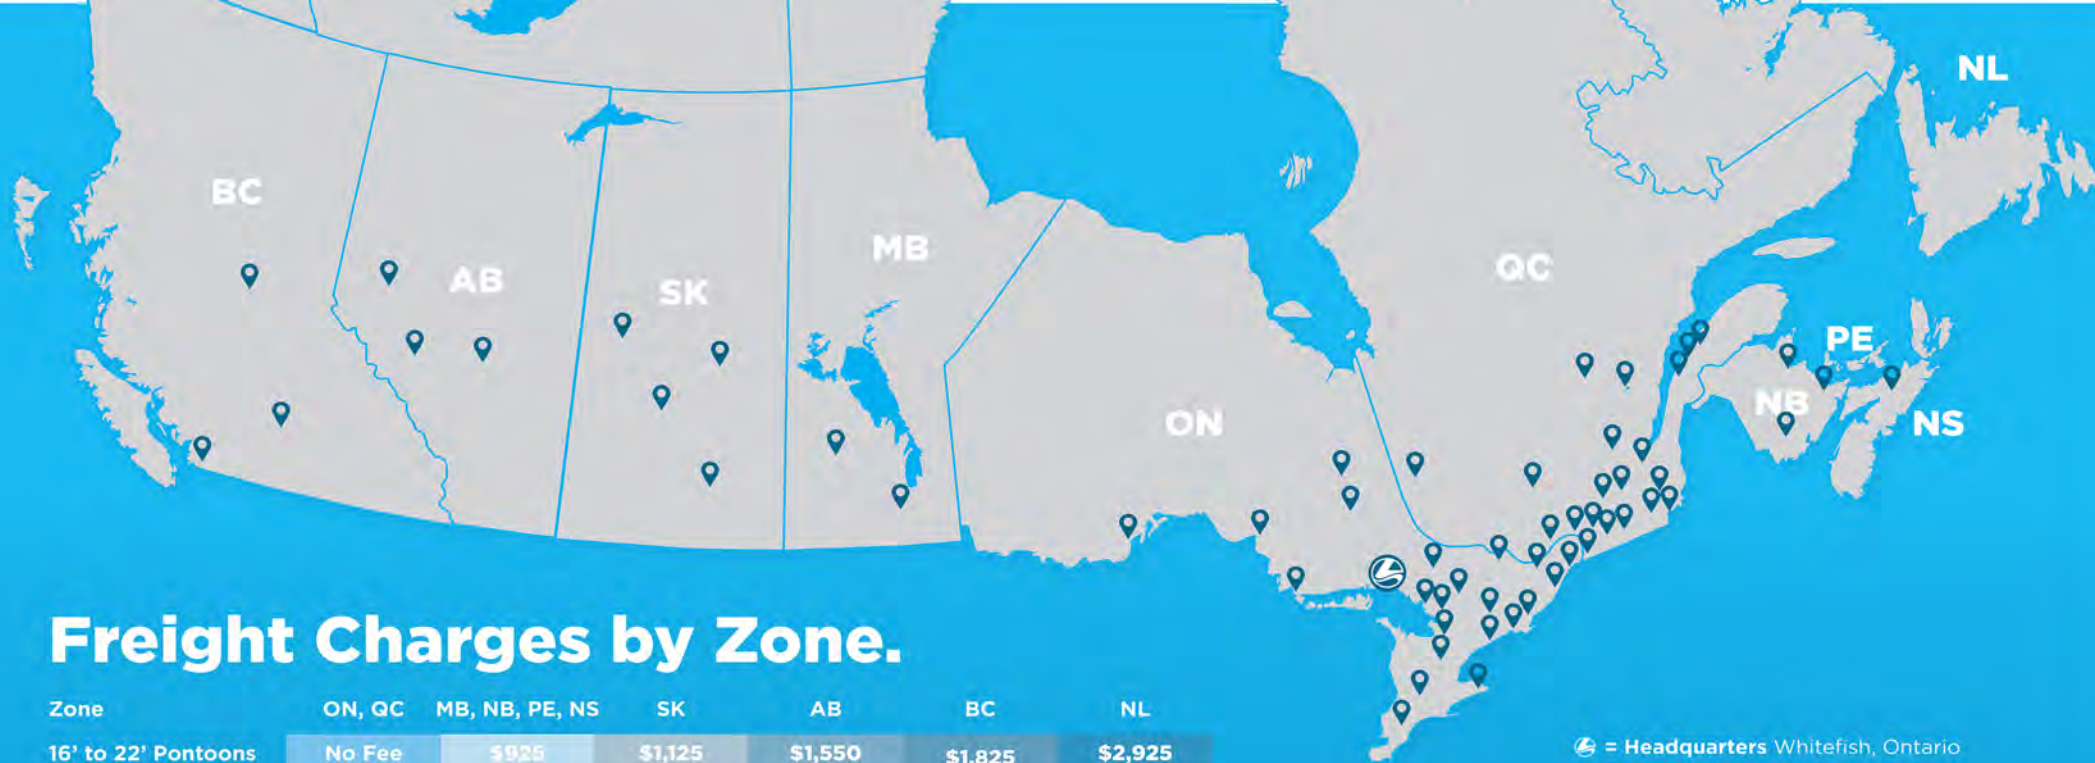

Footed Deck Supports

By adding a foot to each deck support, we ensure that downward pressure from the upper deck assembly is spread out over a larger surface area for a safer connection. Your pontoon will last longer.

Raised, Quick Dry, Silent Fencing

3/8" spacers raise the fence off of the deck for desired water run-off and airflow, making deck clean-up a breeze. Anti-vibration foam back panels keep your trip quiet.

Freight Charges by Zone.

Zone	ON, QC	MB, NB, PE, NS	SK	AB	BC	NL
16' to 22' Pontoons	No Fee	\$925	\$1,125	\$1,550	\$1,825	\$2,925
23' to 26' Pontoons	No Fee	\$1,175	\$1,450	\$1,950	\$2,275	\$3,675
V-Series AquaTower	No Fee	\$2,350	\$2,900	\$3,900	\$4,550	\$7,350

= Headquarters Whitefish, Ontario

Freight Surcharges:

Zone	ON, QC	MB, NB, PE, NS	SK	AB	BC	NL
16' to 22' Pontoons	\$300	\$300	\$350	\$475	\$525	\$900
23' to 26' Pontoons	\$375	\$375	\$425	\$600	\$700	\$1,100
V-Series AquaTower	\$750	\$750	\$850	\$1,200	\$1,400	\$2,200

*We only print one version of our catalogue for all of Canada. Customers outside of Ontario and Quebec will have a small fee for freight. Visit us at legendboats.com for your local, ALL-IN, No-Fee Price including current promotions and current premium package pricing.

No Fee Setup and Orientation

All of the components of your pontoon boat and motor package have been specially chosen for compatibility. The professionals at your authorized Legend Dealership will help you to select the proper motor and options for your package. They will then prepare your package to ensure proper and worry-free operation. All this, at no additional charge to you, thanks to our All-In Pricing.

The setup includes the following items: control box, shift cables, cranking battery, aluminum propeller, outboard installation and set-up. Your dealer will prepare your package and give you a full orientation to ensure trouble-free boating from day one.

* Freight charges outside of Zone 1 (Ontario and Quebec), licenses, and taxes are extra on all prices. Delivery is available at an additional cost. Payments are calculated with licenses, bank registration charges, and taxes as your downpayment at 5.99% over 1,040 weeks for amounts \$23,000 and higher, 5.99% over 780 weeks for amounts between \$10,000 and \$22,999, and 7.99% over 364 weeks for amounts less than \$10,000 (at time of printing). All financing is OAC. Payments will vary by province. All Choose your power prices are in addition and only available with the purchase of the specific package they are listed with; they are not stand alone motor prices. Towing weights are approximate and are calculated based on a full tank of fuel and 200 pounds for batteries and gear. Speed tests were done with 2 persons, 50 pounds of gear and proper weight distribution. Actual performance may vary. Prices, rates and specifications are subject to change or error. Pictures may show options. Ask for complete details. All illustrations, photographs and specifications in this catalogue are based on the latest product information. See actual boat for complete accuracy. Legend reserves the right to make changes at any time, without notice, in prices, colours, materials, equipment, specifications and models, and to discontinue models or equipment. For information on accessories, contact your local Legend dealer.

Please refer to your provincial laws regarding trailer brakes and ensure that your boat package and tow vehicle comply with the regulations in the provinces you intend to travel in. Brakes may be required in certain circumstances and can be purchased as an option or your trailer model can be upgraded before delivery if brakes are not available on certain trailers. It is your sole responsibility to ensure you comply with all provincial brake requirements for vehicles and also that you always operate your tow vehicle safely. Legend Boats accepts no responsibility with regards to provincial compliance.

At legendboats.com, you'll find a fully-priced electronic version of our catalogue as well as additional pictures and special offers. Always distribute passengers and cargo evenly, wear a PFD and follow the rules for safe boating. Visit: www.tc.gc.ca/boatingsafety

Choose Your Power.

Ask your Legend dealer to help you select the Mercury outboard that best suits your needs from the motor choices below. Use the chart that corresponds with the standard engine packaged with your boat model. Simply add the amount to the standard package price to have the motor that is perfect for you.

6-YEAR WOWRANTY

A warranty that makes you say wow!

Sure we've always had the industry's best warranties on the structural parts of our boats, like the welds, main riveted seams, pontoon tubes, decks and transoms, but what about everything else in your boat? Well, most companies offer a 1 year warranty on the other stuff and some offer up to three years. Although this is very respectable, we figured we'd double that. Legend's 6 Year WOWranty covers most other components for 6 long years, plus our Q-Series LE's, Q-Series and V-Series pontoon boats offer a 10 year warranty. That gives you a lot of worry-free, quality, memory-makin' time.

*For more details, visit
www.legendboats.com/wowranty

3-year Mercury Warranty

Every Mercury 4-Stroke outboard is backed by a 3-year standard limited warranty to give you peace of mind. Ask us about Mercury Product Protection to extend your Mercury Factory Warranty for up to 8 years.*

Lifetime Floor and Deck Warranty

A thicker floor means a stronger boat. With 7 layers of marine-grade plywood, each individually treated, we can offer a lifetime warranty against rotting.

Legend Glide-On Trailer Warranty 5+1 Year

Every Legend Glide-On trailer by Shoreland'r is backed by a 5 year frame warranty and 1-year complete tongue to tail light warranty.*

Legend ProTech 5+1 Year Canvas Warranty

Legend ProTech All-Synthetic Tear and Mildew-Resistant Material is backed by a 5 Year Warranty and guaranteed not to rot or fade for five years. Stitching, zippers, seams and other top components are covered for 1 year.

Lifetime Tube, Deck, and Transom Warranty

Legend pontoon boats are backed by a lifetime warranty on the pontoon tubes, deck, and transom so you will be assured of hassle-free boating for years to come. Plus our exciting 6 Year WOWranty now extends coverage on all your key components.*

notes

Our Story

In 1968, two young friends, Vic Duhamel and Carl Dewar decided to start a business. Over the years, they sold products ranging from tires to RVs before realizing how much they loved helping people onto the water and into the boating lifestyle. There were two big issues that they found. Buying a boat was much too difficult, and there really wasn't a boat designed for the Canadian environment.

In 1986, with the goal of simplifying the ownership experience and offering a boat designed by Canadians and built for Canadians, Legend Boats was born. Vic and Carl started by creating affordable and complete boat, motor and trailer packages. They beefed up their boats with thicker aluminum and made full stand-up tops standard on every full windshield model. They wanted to make sure every Legend boat could handle the rugged Canadian climate while keeping boaters safe and comfortable.

Seven children and fifteen grandchildren later, Legend is proud to have the same owners and same focus on family values as it did over 36 years ago when Vic and Carl decided to dedicate their lives to making it easier and more affordable to get on the water. We can't wait to welcome you to the Legend Family so that you can start creating your memories!
