

 **2024**

**PONTOON BOATS**  
FULLY-PRICED BUYING GUIDE

# Our Story

In 1968, two young friends, Vic Duhamel and Carl Dewar decided to start a business. Over the years, they sold products ranging from tires to RVs before realizing how much they loved helping people onto the water and into the boating lifestyle. There were two big issues that they found. Buying a boat was much too difficult, and there really wasn't a boat designed for the Canadian environment.

In 1986, with the goal of simplifying the ownership experience and offering a boat designed by Canadians and built for Canadians, Legend Boats was born. Vic and Carl started by creating affordable and complete boat, motor and trailer packages. They beefed up their boats with thicker aluminum and made full stand-up tops available on every full windshield model. This ensured that every Legend boat could handle the rugged Canadian climate while keeping boaters safe and comfortable.

Seven children and fifteen grandchildren later, Legend is proud to have the same owners and same focus on family values as it did over 38 years ago when Vic and Carl decided to dedicate their lives to making it easier and more affordable to get on the water. We can't wait to welcome you to the Legend Family so that you can start creating your memories!

## A MESSAGE FROM OUR CEOs

As the CEOs of Legend Boats, we are thrilled to introduce you to our 2024 Family and Fishing Boats Fully-Priced Buying Guide. At Legend Boats, we have always strived to set new standards in the boating industry, and this catalogue is no exception. Since 1987 we have produced Canada's only fully-priced boating catalogue. We take great pride in knowing that after 38 years, we remain the only company to produce a fully-priced catalogue in Canada. This innovative approach reflects our commitment to transparency, honesty, and our unwavering dedication to providing you with the best boating experience possible.

Our team has poured their heart and soul into creating this comprehensive catalogue, meticulously detailing every boat model and accessory we offer. We understand that choosing the perfect boat is a significant decision, and we want

to make the process as straightforward and transparent as possible for you. This catalogue serves not only as a valuable buying tool but also as a takeaway for our customers visiting our retail stores, dealerships, and boat shows across Canada. It's a testament to our passion for boating and our desire to make your boating dreams come true.

As Canadians designing and manufacturing boats for Canadians, we are proud to offer products that are tailored to meet the unique needs and preferences of our fellow boating enthusiasts. We hope this catalogue will help you find the perfect Legend Boat that suits your lifestyle and allows you to create unforgettable memories on the water. Thank you for choosing Legend Boats, and we look forward to serving you in the upcoming boating season.

*To another year of Creating Memories that last a lifetime.*

Marc Duhamel | Co-CEO & President

Jamie Dewar | Co-CEO

## IN MEMORIAM

*October 5th, 2023*

---

### ***Victor Duhamel, A Pioneer of the Canadian Boating Industry***

We regretfully announce the passing of Victor Duhamel, the co-founder of Legend Boats and a luminary in the Canadian boating realm. Born in Lively, Ontario on February 15th, 1941, Victor's journey from selling tires at Duhamel & Dewar to his induction into the Canadian Boating Industry Hall of Fame is nothing short of extraordinary.

As a visionary in the marine industry, Victor reshaped the Canadian boating landscape, introducing pioneering concepts like the first fully-priced boat catalogue in 1987 and innovative boat features. Beyond his professional achievements, he was known for his warmth and genuine interest in others.

Victor Duhamel's legacy extends beyond the industry; it's a testament to his love for family and the great outdoors. His love for RV travels and adventure, along with his profound impact on family and friends, will always be cherished. With his sons, Marc and Jeff, and the next generation of Duhamels continuing his legacy, Victor's influence is set to endure.

Victor's passing is an immeasurable loss to the Legend Boats family, the boating community, and all of Canada. His legacy, filled with innovations and cherished memories, will remain a source of inspiration for generations to come.

## Our mission is to Create Memories.

Whether we are working on a cool new design, adding an innovative feature, or squeezing in that extra bit of value, all we're thinking about is providing you with the ultimate boating experience and creating memories that will last a lifetime.

## Are You All-In? CANADA'S ONLY FULLY-PRICED CATALOGUE, SINCE '87.

In a world where we are bombarded with fees, surcharges and extras, wouldn't it be nice if a company would just tell us what it's going to cost up front? Legend Boats is that company. Our prices are All-In!

That's right! No administration fees. No hidden freight fees. No rigging fees. Since 1987, our customers have enjoyed having full package pricing at their fingertips so

they could figure out what their perfect boat or pontoon boat was going to cost right down to the penny. Now, there's no more figuring out. With one simple up-front price, you choose your motor and any options you want, then simply add the taxes. We would have gotten rid of those too but we thought it may have been frowned upon. It really couldn't get any more simple, open, honest or transparent, and we feel that you will appreciate our All-In Pricing.

\*We only print one version of our catalogue for all of Canada. Customers outside of Ontario and Quebec will have a small fee for freight. For details, visit us at [legendboats.com](http://legendboats.com) for your local, ALL-IN, No-Fee Price including current promotions.

# We do things a little differently.

## Is Legend Canadian?

Yes. We are a Canadian company. We live and play where you do. We understand boating in the unique Canadian wilderness. It's different here, and that's why each and every model is designed by Canadians and built for Canadians. From thicker aluminum to full stand-up tops, we make sure that Mother Nature is no match for your Legend.

## Are Legend boats built in Canada?

Yes and No. Our product developers seek out quality manufacturers throughout North America who can produce in the most cost effective way. By outsourcing component manufacturing and then performing all final assembly, sales, service, and warranty right here in Canada, we ensure that the end product is fit for the Great Canadian outdoors.

## Are the printed catalogue prices MSRP?

No. The printed price is our hassle-free, lowest price. We provide it up front, so there's no need for uncomfortable negotiations. To top it off, aside from a small variance in freight, our low prices are the same across Canada. Now you can make an informed, easy, and no-pressure decision in the comfort of your own home.

## It seems like everyone's warranty is pretty much the same. Is that the case?

Well, at first glance it appears that most companies are offering some sort of lifetime warranty, and it's easy to assume that all warranties are the same, but the devil is in the details. By details, we're talking about the fine print. Our 6 year WOWranty combined with our Lifetime hull warranties give you the absolute best warranty coverage, bar none. Not only do we cover more stuff for longer, but the best part is that everything is taken care of right here in Canada.

## Someone told me Legend boats are underpowered. Is that true?

No. You can actually power your boat with the engine of your choice. Each Legend boat model is designed and packaged with a Mercury motor large enough to get you and a friend on the water to experience the boating lifestyle with minimal investment. We understand that everyone's boating needs are different, and that the packaged motor may not suit your needs. That's why we make it easy to choose the perfect Mercury outboard to power all of your on-water activities. So, whether you want to troll all day, bring the kids tubing, cruise with your family or pull two water skiers, we'll help you select the engine that's just right.

## Why do you only package your boats with Mercury outboards?

We partner exclusively with Mercury because of their proven quality, value, reliability, service and features. With the large number of clients we help onto the water each year in Canada, other outboard manufacturers would love us to package with their brand. Mercury appreciates our business so much, they offer us exclusive savings that we simply pass on to you. That's how we package with the oldest, largest, number one outboard engine brand at such an incredible price. On top of a great price, by purchasing a complete custom package you'll enjoy consistent performance and one-location servicing.

## We give you the most standard equipment.

We've outfitted our boats with more equipment for less. Things that you would have to pay thousands of dollars extra for with other brands are simply part of our value-packed models. Many of our Legend packages have standard features like Dura-deck vinyl floors, automatic bilge pumps, and a bunch of other great stuff that is optional in other brands. When it comes to value, we're proud to say that nobody compares. We have more equipment for less than any other brand!

## You claim your quality is good but your prices are affordable. How is that possible?

You get what you pay for right? Well in most cases, yes. But at Legend, we never sacrifice quality in order to reduce cost. Our use of quality brand name products in our packages such as Shoreland'r trailers, Minn Kota and Garmin trolling motors and Mercury outboards - the largest brands in boating - speak for themselves. To keep prices low, we build fewer models in higher volumes and package each model with the same popular features. By purchasing thousands of each component, such as full stand-up tops, fish finders and GPS', we can offer you unbelievably high quality at affordable prices. That's how we do it.

## Why doesn't everyone put pricing in their catalogues?

That's a great question. We don't know. It could be because it takes a lot more work and effort to include all of the details required when you're sharing a price. Or, perhaps nobody else does it because they have something to hide. But we're only guessing. All we know is that we're so confident that we offer the absolute best value in Canada that we publish our complete, hassle-free, all-In pricing for all to see. You can find our prices in our full line brochure, on our extensive website and in all of our advertisements. We even print the pricing of our most popular options so you can "build" your own Legend. Nothing is hidden and it's all in Canadian dollars. We've done the work for you and given you our lowest price right up front.

# CHOOSING THE RIGHT PONTOON IN 4 EASY STEPS

Shopping for a pontoon boat can get overwhelming. There are so many brands, models and layouts to choose from. At Legend, we want to make the shopping experience as simple as possible in order to help you find the perfect pontoon boat.

---

# Choose Your:

## 1. LAYOUT

By breaking down the standard pontoon boat layouts, it will help you filter down to the pontoon boat that is best suited for your needs. No matter your preference, there's a Legend Pontoon just for you.

See "Pontoon Layouts" on the next page.

## 2. STYLE

Each Legend pontoon boat series delivers unique characteristics for your personal style. When looking at each series, take notice of the flooring, console, fabrics, lighting, and all of the other tiny details that add up to the fit and finish you prefer. These are the areas that make each series stand out from the crowd.

## 3. MODEL

The combination of style and layout reveals the pontoon model that was made just for you. Find the model that gives you everything you need and want by following the handy Specifications grid, found at the beginning of each series section.

## 4. PERFORMANCE

Many of our pontoon boats allow you to choose your desired performance by selecting a traditional 2-tube or upgrading to a 3-tube sport package. The difference in pricing and performance package can be found on each individual model's page.

For an overview of what the differences are, see "2-Tube or 3-Tube" on page 14.

# Pontoon Layouts

## WHICH CONFIGURATION IS RIGHT FOR YOU?

By breaking down the standard pontoon boat layouts, it will help you filter down to the pontoon that is best suited for your needs. No matter your preference, there's a Legend Pontoon just for you.

### Avid angler? Make it an EXT.

Many of our pontoons can come with an extended front deck, pre-installed with two fishing seat mounts. There's no need to compromise between family time and fishing time. You can have them both.

## Dual Lounge

Features front-end chaise lounges with adjustable rear lounge/bed.

## Lounge

Features both rear and bow starboard and port side couches.

## Entertainer

Features bow starboard and port side chaise lounges, an L-shaped rear couch and a Fiberglass table with two comfortable adjustable benches.

## Cruise

---

Features an L-shaped rear couch and table with bow starboard and port side couches. Select models feature a rear sundeck.

## Cottage

---

Features an L-shaped rear couch, a rear-facing bench seat, bow starboard and port side couches.

## Flex

---

Features dual rear fishing chairs and shorter L-shaped rear couch with bow starboard and port side couches.

## Journey

---

Features adjustable rear lounge/bed with bow starboard and port side couches. This configuration also features a built-in sink.

# Choose Your Performance

## 2 Tube Packages

Most Legend pontoon boats come equipped with two tubes and can be run with minimal horsepower. Two tube pontoon boats provide stability and maneuverability which makes them great for cruising, fishing and a comfortable day out on the water.

**Fun Series**

**Q-Series LE**

**E-Series**

## 3 Tube Sport Packages

Upgrading to a triple tube and a higher horsepower will give you better handling and performance so you can ski, wakeboard and tube with ease. Each series offers a unique sport triple tube package.

**Why three tube? Check out this performance guide.**

### E-Series

#### Sport Pro Performance Package

- Two full-length outer tubes with performance enhancing lifting strakes on the inside of each tube.
- A full-length centre tube with performance enhancing lifting strakes and an integrated transom.
- An underfloor aluminum performance shield.
- Hydraulic assist steering.
- Stainless steel ski/wakeboard bar.

### Q-Series

#### Sport Pro Performance Package

- Two full-length outer tubes with performance enhancing lifting strakes on the inside of each tube.
- A full-length centre tube with performance enhancing lifting strakes and an integrated transom.
- An underfloor aluminum performance shield.
- Hydraulic assist steering.
- Stainless steel ski/wakeboard bar.

**Standard on all Q-Series Sport Pro models.**

### V-Series

#### Sport Pro Prestige Package

- Two full-length outer tubes with performance enhancing lifting strakes on both the inside and outside of each tube.
- A full-length centre tube with performance enhancing lifting strakes and an integrated transom.
- An underfloor aluminum performance shield.
- Hydraulic assist steering.
- Stainless steel ski/wakeboard bar.

Prestige Packages get upgraded 27" tubes for better performance and handling.

**Standard on all V-Series Sport Pro models.**

# FUN-SERIES 20 FUN COTTAGE

Watch all the action from this comfortable rear-facing bench.

Plenty of integrated storage beneath the chaise lounges.

The 5-Step Aluminum Easy-Board Ladder makes it easy to climb aboard after a dip.

The soft touch ez-clean seaweave vinyl flooring is easy to clean, so you can focus on creating memories.

Streamlined console with room to expand with optional Fish Finders.

Ergonomic captain's chair with arm and back supports.

# V-SERIES AQUATOWER SPORT PRO

AVAILABLE IN THESE GREAT COLOURS.

Waterslide with built-in water pump lets you soar above the water.

Upper deck lets you take in a completely fresh view of the lake.

Hidden pop-up change room is great following an afternoon of water sliding.

Enormous lounging sofas seat up to 6 people in the bow alone, with elbow room to spare.

Oversized dinette comfortably seats 4, with enough cup holders for everyone.

Work on your tan on the rear deck.

## Always Included

### CONSTRUCTION

- 4 deck mounted mooring cleats • Footed deck supports • Stainless-steel elevator hardware • Ez-drain tubes • F-style rub rail support • Triple-protected tube design • Wave-slicing front nose cones • Pressurized triple-section tube design with ez-drain plug • Extra-wide 8'6" beam • Full-length protective extruded keels on tubes • 27" diameter 0.090 gauge aluminum pontoon tubes • Through-bolted floor fastening and double-sealed seams • 1 1/4" raised aluminum fence rails with 3/8" risers • Anti vibration foam-backed quiet fencing • EZ-access rear gate • Individually treated 3/4" 7-ply marine-grade plywood • Performance enhancing all-aluminum v-transom

### CONSOLE

- Horn • Illuminated switches and gauges • Ez reset circuit breakers • Chrome-bezeled gauges on a charcoal-black dashboard

### SEATING

- Ultra-soft pillow-top furniture • 2 chaise lounges with integrated storage • 2 front rounded couches for comfy lounging • Comfy L-shaped couch • Driver's high-back recliner with headrest and armrests

### DECKS AND STORAGE

- Large double-wide sundeck with flip-up changeroom • Ez-clean rear fun zone for watersports and entertaining • Rich teak and ivory vinyl rear decks for easy cleanup • 9 drink holders

### ADDITIONAL FEATURES

- Oversized boarding ladder • Upgraded to tilt steering • LED interior mood lighting under seats • Integrated changeroom • Removable table with integrated drink holders

### SAFETY

- Gates with posi-lock latches • Docking lights • Bimini-mounted anchor lights • Navigational lights

## Lifetime Limited Transferable Structural Warranty.

### Lifetime Warranty Includes:

Pontoons, crossbeams, seat frames, motor mounts, wood decking and rail structure.

10 Year Limited\* Transferable Bow to Stern warranty on all other components on your boat. (Fun Series, E-Series 6 Years).

For more details visit: [legendboats.com/wowranty](http://legendboats.com/wowranty)

## Q-Series LE, Q-Series And V-Series

### Construction

#### Suspension Seating

This unique suspension seating is made up of a multi-directional stretch substructure backing, an added adhesive layer, followed by a heavy marine grade vinyl making up for a 50-ounce total vinyl covering, giving your passengers a smoother ride every time.

#### EZ-Flow Ventilation

The aluminum seat frames have external and internal air flow that dries out the seat compartments while underway or at the dock.

#### Thick Lifetime Decking

A thicker floor means a stronger pontoon. With 7 layers, each individually treated, we can offer a Lifetime Warranty against rotting. Each seam is sealed with LockOut sealing adhesive and is lined up over a cross member for exceptional dryness.

#### Thick 40 Gauge Quiet and Raised Fences

All thick .40 gauge fence panels are installed with anti-vibration foam to keep them quiet. They are installed with 3/8" risers to provide water runoff and exceptional ventilation.

#### EZ-Drain Tubes

Each section of the tubes are connected to one another by a small channel that allows any condensation to drain completely to the back of the tube and out of our Sure-Lock threaded drain plug.

#### Triple-Protected Tube Design

Our pontoons are divided into three separate compartments and sealed, making them air tight even in the event of a puncture. If the air can't get out, water can't get in.

#### Stainless Steel Fasteners

Stainless steel fasteners are used to attach the decking to the substructure. These provide a far stronger hold than pop rivets for years of problem free boating.

#### Wave-Slicing Wide Nose Cones

The wide nose cones deflect spray keeping you dry on the water, while the lifting fins provide the ultimate performance for a smooth ride every time.

#### Robust Construction

This solid frame construction includes a double bolted transom, double solid full risers that are all connected together with double bolted .190 U-bar crossbeams on 2 tube pontoon models or .125 Hat channel crossbeams on 3 Tube pontoon models. We use .250 gauge U-bars at the bow and stern for unbeatable strength.

#### Thick Side Protector Keel (3-Tube Models Only)

Our thick side protector keels on the nose cones provide great protection against accidental side impacts at the dock.

The NMMA label on a Legend Boat is your proof that it meets, and often exceeds, the industry's strictest quality and safety standards.

## E-Series, Fun Series Construction

### Thick Lifetime Decking

A thicker floor means a stronger boat. With 7 layers, each individually treated, we can offer a Lifetime Warranty against rotting. Each seam is sealed with LockOut sealing adhesive and is lined up over a cross member for exceptional dryness.

### Stainless Steel Hardware

Using stainless steel elevator bolts and fasteners instead of pop rivets to attach our decking to the substructure results in a strong, reliable boat for years to come.

### F-style Rub Rail Support

The outside deck edge is covered with this unique F-Style rub rail which clips onto the deck and is fastened securely with stainless bolts. It prevents unnecessary sagging edges and reinforces the entire deck.

### No-Rot Seat Bases

Made with thick roto-cast material means they can never rot, no matter how wet they get. They even have integrated drainage channels so your gear stays drier as well.

### Full-length Heavy-Duty V-keel

Our dual-purpose keels provide great protection against unseen obstacles or sandy beaches, while at the same time adding great control even in wind.

### Triple-protected Tube Design

Our pontoons are divided into three separate compartments and sealed, making them air tight even in the event of a puncture. If the air can't get out, water can't get in.

### EZ-Drain Tubes

Each section of the tubes are connected to one another by a small channel that allows any condensation to drain completely to the back of the tube and out of our Sure-Lock threaded drain plug.

### Wave-slicing Wide Nose Cones

The combination of pointed nose cones with spray deflecting lifting fins means you will have a smooth and dry ride in every Legend pontoon.

### Footed Deck Supports

By adding a foot to each deck support, we ensure that downward pressure from the upper deck assembly is spread out over a larger surface area for a safer connection. Your pontoon will last longer.

### Raised, Quick Dry, Silent Fencing

3/8" spacers raise the fence off of the deck for desired water run-off and airflow, making deck clean-up a breeze. Anti-vibration foam back panels keep your trip quiet.

# Pontoon Enclosures

## Extend Your Boating Season.

Add an enclosure to any Legend pontoon and extend your boating season. Our quality enclosures will keep you warm and dry, protect you from the sun, help keep the bugs out and even let you go camping for the weekend.

### Full Enclosure+^ **\$3,699 to \$5,699**

Be comfortable. Be protected. Stay cleaner and drier with our custom full enclosure. You can stand tall and move around freely front to back regardless of weather conditions. A double bimini top as well as a full curtain package is included. Side screens let the breeze in and keep the bugs out.

^Available on the following models:

All Fun-Series Models (Black)

All E-Series Models (Black or Navy)

All Q-Series Models (Black or Navy)

All V-Series Models (Black)

#### All Snaps are Installed Through Thick Legend ProTech Material

Our strong material provides a solid fastening point as opposed to plastic, which snaps could tear through easily.

#### Synthetic Top Construction

You'll be protected rain or shine with our all-synthetic, tear-resistant bimini top construction.

#### Strong 1 1/4" Square Tubing and All-Metal Fittings

Unlike plastic fittings, metal ones won't crack, break, or wear out.

#### Double Stitching

All main zippers are double-stitched to provide lasting quality in the areas that receive the most stress.

#### Bug Screens with Roll Down Windows

Bug screens are included to let the breeze in and keep the bugs out.

# Trailer

## Triple Tube Trailer Kit

**\$999** installation included\*

Add these bunks to your pontoon trailer when choosing a Sport Performance Package to support the center tube.

# TA0232-16

## Pontoon Mooring Cover†

**\$1,699 to \$3,299**

Designed to cover your new Legend pontoon from front-to-back, our pontoon mooring covers protect your interior from damaging elements while moored at the dock or while at rest on the trailer. Adjustable support poles prevent water from pooling on the cover. Easily installed, this cover snaps around the perimeter of the fence and is tailored to work around the bimini frames. These covers are built in one or two pieces depending on the pontoon model and configuration.

## Freight Charges by Zone.

Zone	ON, QC	MB, NB, PE, NS	SK	AB	BC	NL
16' to 22' Pontoons	No Fee	\$1,350	\$1,625	\$2,225	\$2,600	\$4,200
23' to 26' Pontoons	No Fee	\$1,700	\$2,075	\$2,800	\$3,275	\$5,275
V-Series AquaTower	No Fee	\$3,400	\$4,125	\$5,600	\$6,550	\$10,525

= Headquarters Whitefish, Ontario

\*We only print one version of our catalogue for all of Canada. Customers outside of Ontario and Quebec will have a small fee for freight. Visit us at [legendboats.com](http://legendboats.com) for your local, ALL-IN, No-Fee Price including current promotions and current premium package pricing.

## No Fee Setup and Orientation

All of the components of your pontoon boat and motor package have been specially chosen for compatibility. The professionals at your authorized Legend Dealership will help you to select the proper motor and options for your package. They will then prepare your package to ensure proper and worry-free operation. All this, at no additional charge to you, thanks to our All-In Pricing.

The setup includes the following items: control box, shift cables, cranking battery, aluminum propeller, outboard installation and set-up. Your dealer will prepare your package and give you a full orientation to ensure trouble-free boating from day one.

\* Freight charges outside of Zone 1 (Ontario and Quebec), licenses, and taxes are extra on all prices. Delivery is available at an additional cost. Payments are calculated with licenses, bank registration charges, and taxes as your downpayment at 8.99% over 1,040 weeks for amounts \$23,000 and higher, 9.99% over 780 weeks for amounts between \$10,000 and \$22,999, and 9.99% over 364 weeks for amounts less than \$10,000 (at time of printing). All financing is OAC. Payments will vary by province. All Choose your power prices are in addition and only available with the purchase of the specific package they are listed with; they are not stand alone motor prices. Towing weights are approximate and are calculated based on a full tank of fuel and 200 pounds for batteries and gear. Speed tests were done with 2 persons, 50 pounds of gear and proper weight distribution. Actual performance may vary. Prices, rates and specifications are subject to change or error. Pictures may show options. Ask for complete details. All illustrations, photographs and specifications in this catalogue are based on the latest product information. See actual boat for complete accuracy. Legend reserves the right to make changes at any time, without notice, in prices, colours, materials, equipment, specifications and models, and to discontinue models or equipment. For information on accessories, contact your local Legend dealer.

Please refer to your provincial laws regarding trailer brakes and ensure that your boat package and tow vehicle comply with the regulations in the provinces you intend to travel in. Brakes may be required in certain circumstances and can be purchased as an option or your trailer model can be upgraded before delivery if brakes are not available on certain trailers. It is your sole responsibility to ensure you comply with all provincial brake requirements for vehicles and also that you always operate your tow vehicle safely. Legend Boats accepts no responsibility with regards to provincial compliance.

At [legendboats.com](http://legendboats.com), you'll find a fully-priced electronic version of our catalogue as well as additional pictures and special offers. Always distribute passengers and cargo evenly, wear a PFD and follow the rules for safe boating. Visit: [www.tc.gc.ca/boatingsafety](http://www.tc.gc.ca/boatingsafety)

# Choose Your Power.

Ask your Legend dealer to help you select the Mercury outboard that best suits your needs from the motor choices below. Use the chart that corresponds with the standard engine packaged with your boat model. Simply add the amount to the standard package price to have the motor that is perfect for you.

# 6-10 YEAR WOWRANTY

A warranty that makes you say WOW!

Sure we've always had the industry's best warranties on the structural parts of our boats, like the welds, pontoon tubes, decks and transoms, but what about everything else in your pontoon? Well, most companies offer a 1 year warranty on the other stuff and some offer up to three years. Although this is very respectable, we figured we'd double that. Legend's 6 Year WOWranty covers most other components for 6-10 long years. That gives you a lot of worry-free, quality, memory-makin' time.

\*For more details, visit [www.legendboats.com/wowranty](http://www.legendboats.com/wowranty)

## 3-year Mercury Warranty

Every Mercury 4-Stroke outboard is backed by a 3-year standard limited warranty to give you peace of mind. Ask us about Mercury Product Protection to extend your Mercury Factory Warranty for up to 8 years.\*

## Lifetime Floor and Deck Warranty

A thicker floor means a stronger boat. With 7 layers of marine-grade plywood, each individually treated, we can offer a lifetime warranty against rotting.

## Legend Glide-On Trailer Warranty 5+1 Year

Every Legend Glide-On trailer by Shoreland'r is backed by a 5 year frame warranty and 1-year complete tongue to tail light warranty.\*

## Legend ProTech 5+1 Year Canvas Warranty

Legend ProTech All-Synthetic Tear and Mildew-Resistant Material is backed by a 5 Year Warranty and guaranteed not to rot or fade for five years. Stitching, zippers, seams and other top components are covered for 1 year.

## Lifetime Tube, Deck, and Transom Warranty

Legend pontoon boats are backed by a lifetime warranty on the pontoon tubes, deck, and transom so you will be assured of hassle-free boating for years to come. Plus our exciting 6 Year WOWranty now extends coverage on all your key components.\*

# The Legend Time Capsule

Introducing the Legend Time Capsule - a new and exciting addition to our annual catalogue! At Legend Boats, our mission has always been to Create Memories, and this year, we've found a unique way to celebrate those cherished moments.

The Time Capsule is more than just a page in our catalogue; it's a tribute to the incredible experiences our valued customers have had on the water, a way to connect our community, and an inspiration for new adventures.

**Contribute to next season's capsule!**
