DID YOU KNOW...

Our La Salette Schools in Isabela through the help, active involvement and influence of religious sisters (9 congregations of sisters served our schools), together with our dedicated teachers and a rich religion curriculum with the presence of La Salette Missionary Priests celebrating mass, offering spiritual guidance, engaging students through open conversations about vocation and religious life – a growing number of our graduates from our La Salette Schools have become priests. About 38 of them have become La Salette Missionary priests and another 10 have joined other missionary congregations and dioceses.

Additionally, a number of graduates about 10-12 have embraced consecrated life as sisters. Our La Salette Schools continue to sow the seeds of faith and nurture the spiritual growth of our students.

We pray that more hearts respond to the call of the Master and dedicate themselves to a life of love and service as consecrated men and women.

If you know of any individual who is interested to know more about **CONSECRATED LIFE / PRIESTHOOD** - please share with him about the **MISSIONARIES OF OUR LADY OF LA SALETTE** - our story, works and mission.

FULLNESS OF LIFE

PAGE 7

Dear Co-journers,

In 1949, the 1st La Salette School was established in San Mateo, Isabela. From this mother school came about 7 other schools (Santiago, Aurora, Roxas, Jones, Quezon, Cabatuan, Ramon) in the province of Isabela.

The 1st La Salette Missionaries were not educators, but they have consistently done their best - and to this day our present missionaries continue to give their utmost in the field of catholic education.

With the sacred journey of La Salette education, local communities once entrusted to the care of the La Salette Missionaries are thriving - The graduates from our La Salette Schools have become instrumental in building the local church. Our graduates now serve as christian leaders - embodying the values and principles instilled during their stay in our La Salette Schools.

With dedicated teaching and non teaching personnel - through their selfless dedication - they understand that their role is not only to bring improvement in the material world of the young, but it extends beyond the classroom, influencing most especially the spiritual and moral compass of each student.

The commitment to catholic education by our La Salette Missionaries stands as a living testament to the power of love, faith, and hope - the very message of the apparition.

Through the Grace of God and the generosity you share with us and that of many others - Our La Salette Schools continue the noble effort of shaping mind and hearts in the light of the apparition message of Our Lady of La Salette.

God's love be with you always!

FR. MANUEL R. MEDINA, MS

All graduates of Our La Salette Schools studying/residing in the greater Manila Area are invited to come and be part of our 3rd Sunday celebration of the Holy Eucharist!

GOALS:

- 1.To provide a connection to the sacred & cherished tradition and instilled values learned & lived during their time at our La Salette Schools.
- 2.To provide our La Salette graduates a “home” - their spiritual (oasis) to be recharged and find solace in the presence of God and the Blessed Mother - thus deepening their spiritual journey as sons and daughters of God.
- 3.To provide spiritual nourishment and opportunity to nurture one’s spiritual growth through prayer and the celebration of the Holy Eucharist.
- 4.To make available a “spiritual home” in the city where one can bond with former classmates, friends, teachers & experience a deep sense of being the new Maximin and Melanie of the La Salette Apparition.

Every 3rd Sunday of each month, the Holy Eucharist is celebrated at the Mother of Hope Chapel of the Missionaries of Our Lady of La Salette @ #8 Hillcrest Dr., E. Rodriguez Ave., Cubao, Quezon City at 10AM for all the graduates and their families of our La Salette Schools.
