## CAIS Earth Club Newsletter

June 2025

### CAIS Earth Club asks:

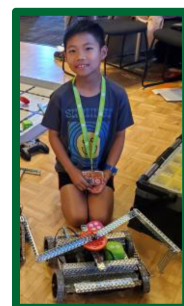

What are your summer plans?

**Siobhan** will be going on a road trip from Chicago → Nashville → Memphis → Smoky Mountains!

**Ryan** will be enjoying coding, Cub Scout camping, and other outdoor adventures.

**Nina** will be heading to sleepaway camp in Canada. She's especially excited to fly on her own for the first time. Independence, new friends, and Canadian wilderness await!

**Kieran** will be traveling in Europe for 5 weeks, visiting England, France and Norway. He's especially looking forward to sailing the vintage toy boats on the pond at Jardin du Luxembourg in Paris. Also Yosemite.
