PSA is experiencing a high volume of submissions, and as a result, submission processing times have been significantly impacted. From the time PSA checks in your cards as received, it can take PSA up to 15 weeks to enter your submission into processing. This does not include the time for the actual grading. PSA is no longer guaranteeing any timelines. We do understand, we all want our cards back faster.

PSA Guidelines:

- **An itemized list must accompany each submission level of your cards and should be in the same order as your cards in the box/boxes. Please include any special details related to the card such as short print variations and parallels. We encourage you to use the attached form or a PSA Item list.**
- Include your NAME and ALL CONTACT info with your cards when you send them. Preferably in each separate order or box.
- **Submissions MUST be paid for before your graded cards are released to you. WE DO NOT RELEASE GRADES UNTIL PAYMENT IS RECEIVED.**
- Verify your physical cards are in the SAME order as your itemized list per submission level or it will cause a delay in processing.
- **We ONLY accept cards in Card Savers. No one-touch magnets or screw downs please. You will be charged \$1 for each card sent that is not in a Card Saver.**
- Do not seal your cards with tape or a sticker. Please remove before submitting.
- **Securely pack your cards to avoid damage during transit to us. We will ensure that your cards are properly prepared and packed for shipment to PSA.**
- We do not and will not clean or evaluate your cards. You are responsible for the condition of your cards and analyzing them for grade worthiness.
- **We DO NOT accept trimmed or modified cards for submission. We reserve the right to cancel your entire order and you will be responsible for return shipping if we suspect or detect any card alteration, such as trimming, coloring, false stamping, altered autographs, etc.**
- **Your Cards may be subject to an additional "upcharge" fee from PSA** depending on how much the card is worth after grading. You are responsible for paying that charge. Cards will not be returned to the owner until that fee is paid. If you believe your card will be valued over \$499 as a PSA 10, please submit in the Declared Value \$999 submission level or above.
- **When filling out the form:**
 - Place all info for a card on the same line
 - Write the full year 1987 not 87
 - For Basketball and Hockey 2019-20 should be entered as 2019
 - You do not need to write the word "BASE" if the card is a base card
 - The value of the card is the graded value, NOT the raw value
 - When you have multiples of the same card, the total declared value is the Value Graded x the number of cards
 - Please do not use abbreviations like "Ref." Please fully spell "Refractor" Use players name as it appears on the card.
 - Use a SEPARATE FORM for each different level submission
- **20 Card Minimum per "Value" Submission Level**
- PSA does not always incorporate the verbiage you use so the label may not have every detail you include.
- **Cards will be dropped off bi-weekly for shipment to PSA. Please allow 5 business days for our processing.**
- We reserve the right to decline any order.
- If you have any questions about your order, please contact Jennifer or Adam at sportscardsgrading2@gmail.com
