

PSA Submission Pricing

There are three reasons you should submit your PSA card grading order through a PSA Authorized Dealer: The price per card is lower. The turnaround time is faster. The PSA order entry process is completed for you.

All submission levels must be grouped separately with their own itemized list. The following submission levels are for sports cards only. We are currently not submitting gaming cards or non-sports cards.

Ultra-Modern (2017-Present) - \$14/card

Modern (1972-2016) - \$11/card

Vintage (1971 & earlier) - \$9/card

20 Card Minimum, Graded Max Declared Value \$199

*45 Business Day Service Levels

20 Day – Graded Max Declared Value \$499 - \$25/Card*

5 Day – Graded Max Declared Value \$999 - \$50 Each*

Does not include processing time or shipping. This service timeline is once PSA accepts order into system and is counted in business days

Declared Max values are based on the post-grading estimate, not the raw price. Please select the proper service level at the time of submission.

PSA is experiencing a high volume of submissions, and as a result, submission processing times have been impacted. From the time of delivery, it will take PSA 9-10 weeks to enter your submission into processing.

Submission Requirements:

- **An itemized list must accompany each submission level of your cards and should be in the same order as your cards in the box/boxes. Please include any special details related to the card such as short print variations and parallels. We encourage you to use the attached form or a PSA Item list.**
- Include your NAME and ALL CONTACT info with your cards when you send them. Preferably in each separate order or box.
- **Submissions MUST be paid for before your graded cards are released to you. WE DO NOT RELEASE GRADES UNTIL PAYMENT IS RECEIVED.**
- Verify your physical cards are in the SAME order as your itemized list per submission level or it will cause a delay in processing.
- **We ONLY accept cards in Card Savers. No one-touch magnets or screw downs please. You will be charged \$1 for each card sent that is not in a Card Saver.**
- DO NOT seal your cards with tape or a sticker. Please remove before submitting.
- We do not and will not clean or evaluate your cards. You are responsible for the condition of your cards and analyzing them for grade worthiness.
- **We DO NOT accept trimmed or modified cards for submission. We reserve the right to cancel your entire order and you will be responsible for return shipping if we suspect or detect any card alteration, such as trimming, coloring, false stamping, altered autographs, etc.**
- **Your Cards may be subject to an additional "upcharge" fee from PSA** depending on how much the card is worth after grading. You are responsible for paying that charge. Cards will not be returned to the owner until that fee is paid. If you believe your card will be valued over \$199 as a PSA 10, please submit in the 20 Day submission level or above.

 - When you have multiples of the same card, the total declared value is the Value Graded x the number of cards
 - Please do not use abbreviations like "Ref." Please fully spell "Refractor" Use players name as it appears on the card.
 - Use a SEPARATE FORM for each different level submission
- PSA does not always incorporate the verbiage you use so the label may not have every detail you include.

- We reserve the right to decline any order.
