PSA FAQ and Guidelines:

- **Turnaround times are estimates in Business Days and are subject to change. It does not include shipping time to and from PSA. The clock starts once your submission has entered Research and ID**
- An itemized list must accompany each submission level of your cards and should be in the same order as your cards in the box/boxes. Please include any special details related to the card such as short print variations and parallels. We encourage you to use the attached form or a PSA Item list.
- When filling out the form:
 - Include your name and all contact details.
 - The declared value of the card is the graded value, not the raw value.
 - When you have multiples of the same card, the total declared value is the Value Graded x the number of cards.
 - Include any Parallel or Variation Details. E.g., Blue Scope Prizm, Red Cracked Ice, Refractor, etc.....
 - Use a SEPARATE FORM for each different level submission. **Bulk needs to be separated by their specific years designated by PSA. Minimums apply to each service level.**
- **PSA only accept cards in Semi Rigid Card Holders. No one-touch magnets or screw downs. You will be charged \$1 for each card sent that is not in a Semi Rigid.**
- Do not seal your cards with tape or a sticker. Please remove it before submitting.
- **Securely pack your cards to avoid damage during transit to us. We will ensure that your cards are properly prepared and packed for shipment to PSA.**
- We do not clean or evaluate your cards. You are responsible for the condition of your cards and analyzing them for grade worthiness.
- **We do not accept trimmed or modified cards for submission. We reserve the right to cancel your entire order and you will be responsible for return shipping if we suspect or detect any card alteration, such as trimming, coloring, false stamping, altered autographs, etc.**
- Your Cards may be subject to an additional "upcharge" fee from PSA depending on how much the card is worth after grading. You are responsible for paying that charge. Cards will not be returned to the owner until that fee is paid. Please make sure you are using the correct service level.
- **20 Card Minimum per "Value Bulk" Submission Level. If you do not meet minimum requirements you will be placed in next higher Service Level that corresponds with the number of cards you have shipped.**
