

Junior Members - Code of Behaviour

We want you to be safe whilst taking part in activities during sessions and have decided that a code of behaviour may help you think about safety. During conversations with some of the young people these are the suggestions they have put forward:

- No name calling
- No swearing
- No bullying
- Be a good sports person
- Have a good attitude
- No physical contact
- Support each other
- Listen to instructions
- Don't talk when the coach is talking
- Attend regularly.

To make sure everyone understands these points we would like you to read these points with your parents/carer's and ask both of you to sign the form below.

Child's signature.....

Parent / Carer's Signature.....
