About

The **Medallion Signature Guarantee Program** protects you by making it harder for people to steal your securities by forging your signature on your securities certificates and related documents.

Transfer agents insist on **Medallion Signature Guarantees** because they limit their liability and losses if a signature turns out to be forged.

When it may be Required

-  Deceased Estate
-  Transfer of Ownership
-  Update Bank Details
-  Change of Account Name / Address
-  Sale of securities

How it Works

A **Medallion Signature Guarantee Stamp** confirms your identity, signature, and legal authority to transfer securities and investments, preventing unauthorized transfers.

The **Medallion Signature Guarantee Stamp** warrants:

The signature is genuine

The signer is the appropriate person

The signer has legal capacity
