

Introducing The Hydrogen Group

The US Trucking Industry is in TROUBLE!

WHY?

The HIGH COST of Diesel-fuel!

For example, the Yellow Freight Co., founded in 1906, declared bankruptcy in 2023 and 35,000 Truck Drivers **LOST THEIR JOBS.**

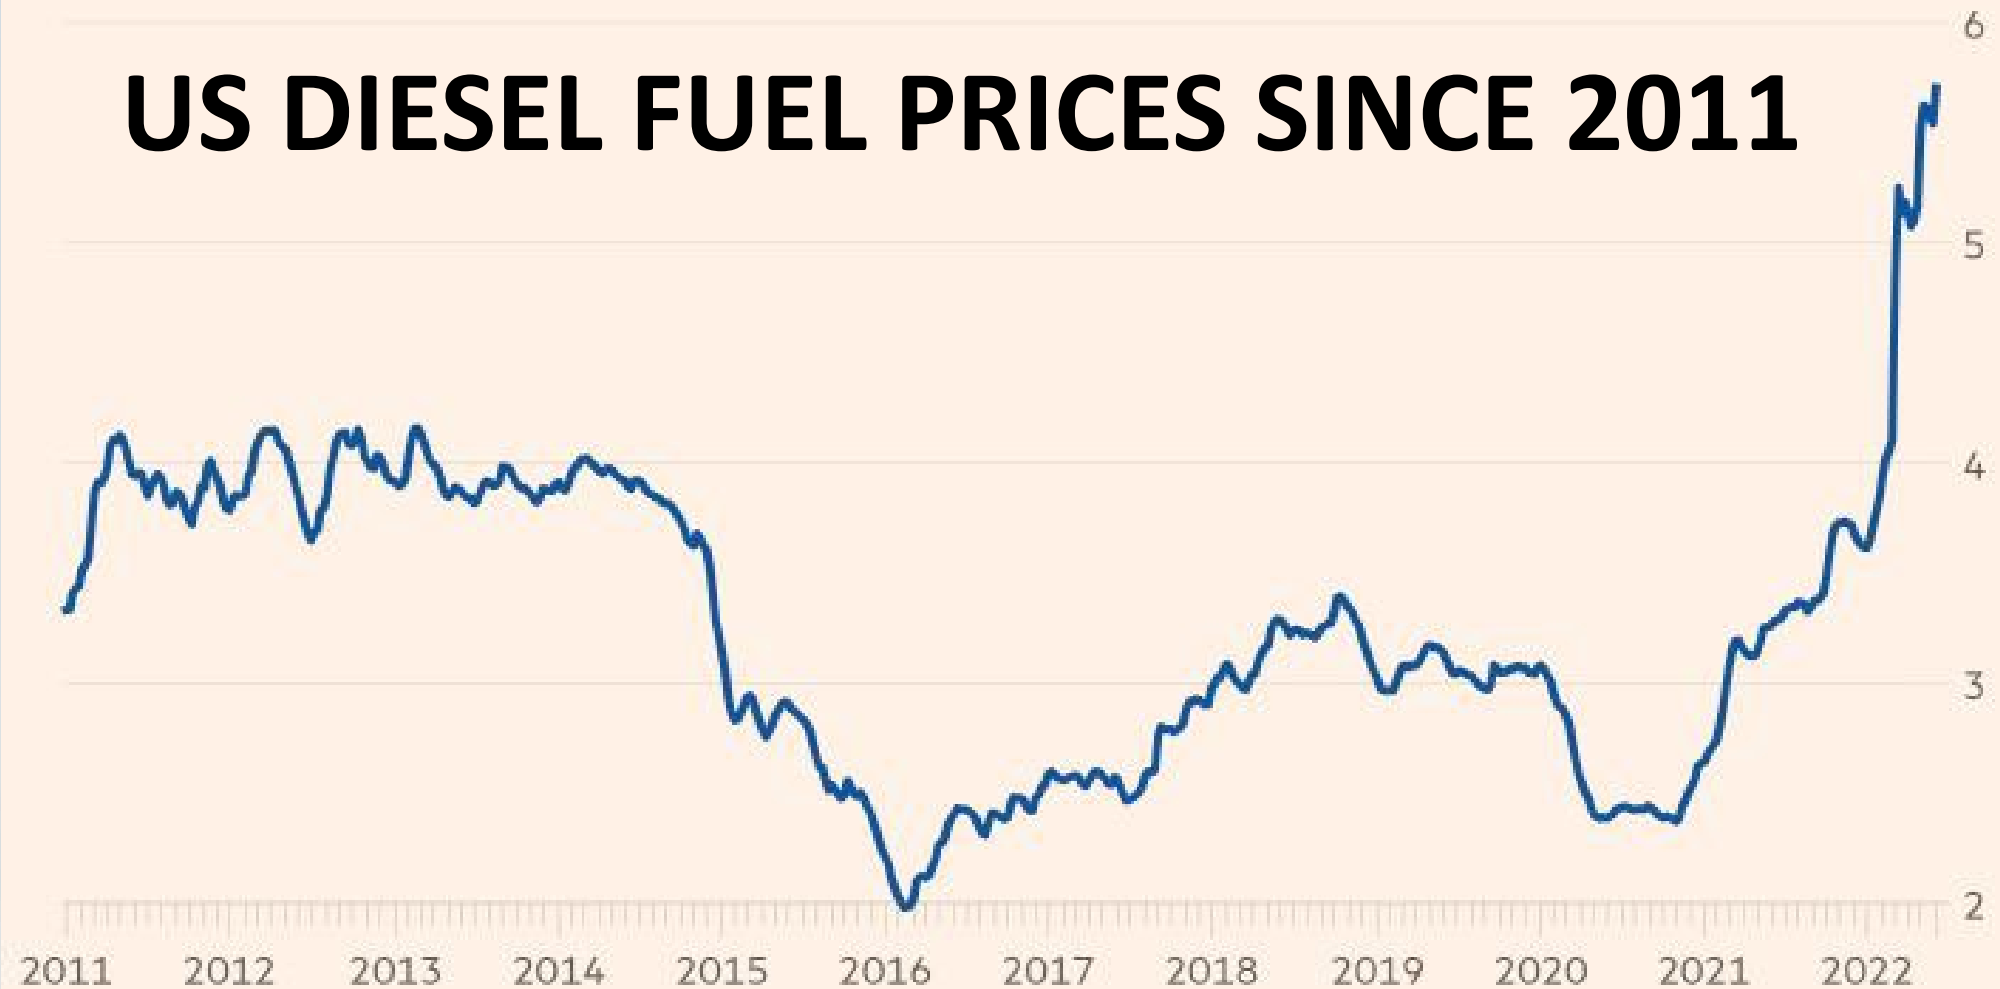

**According to industry statistics, in 2023,
31,278 Trucking COMPANIES either SHUT
DOWN or sold assets due to RISING DIESEL
FUEL COSTS!**

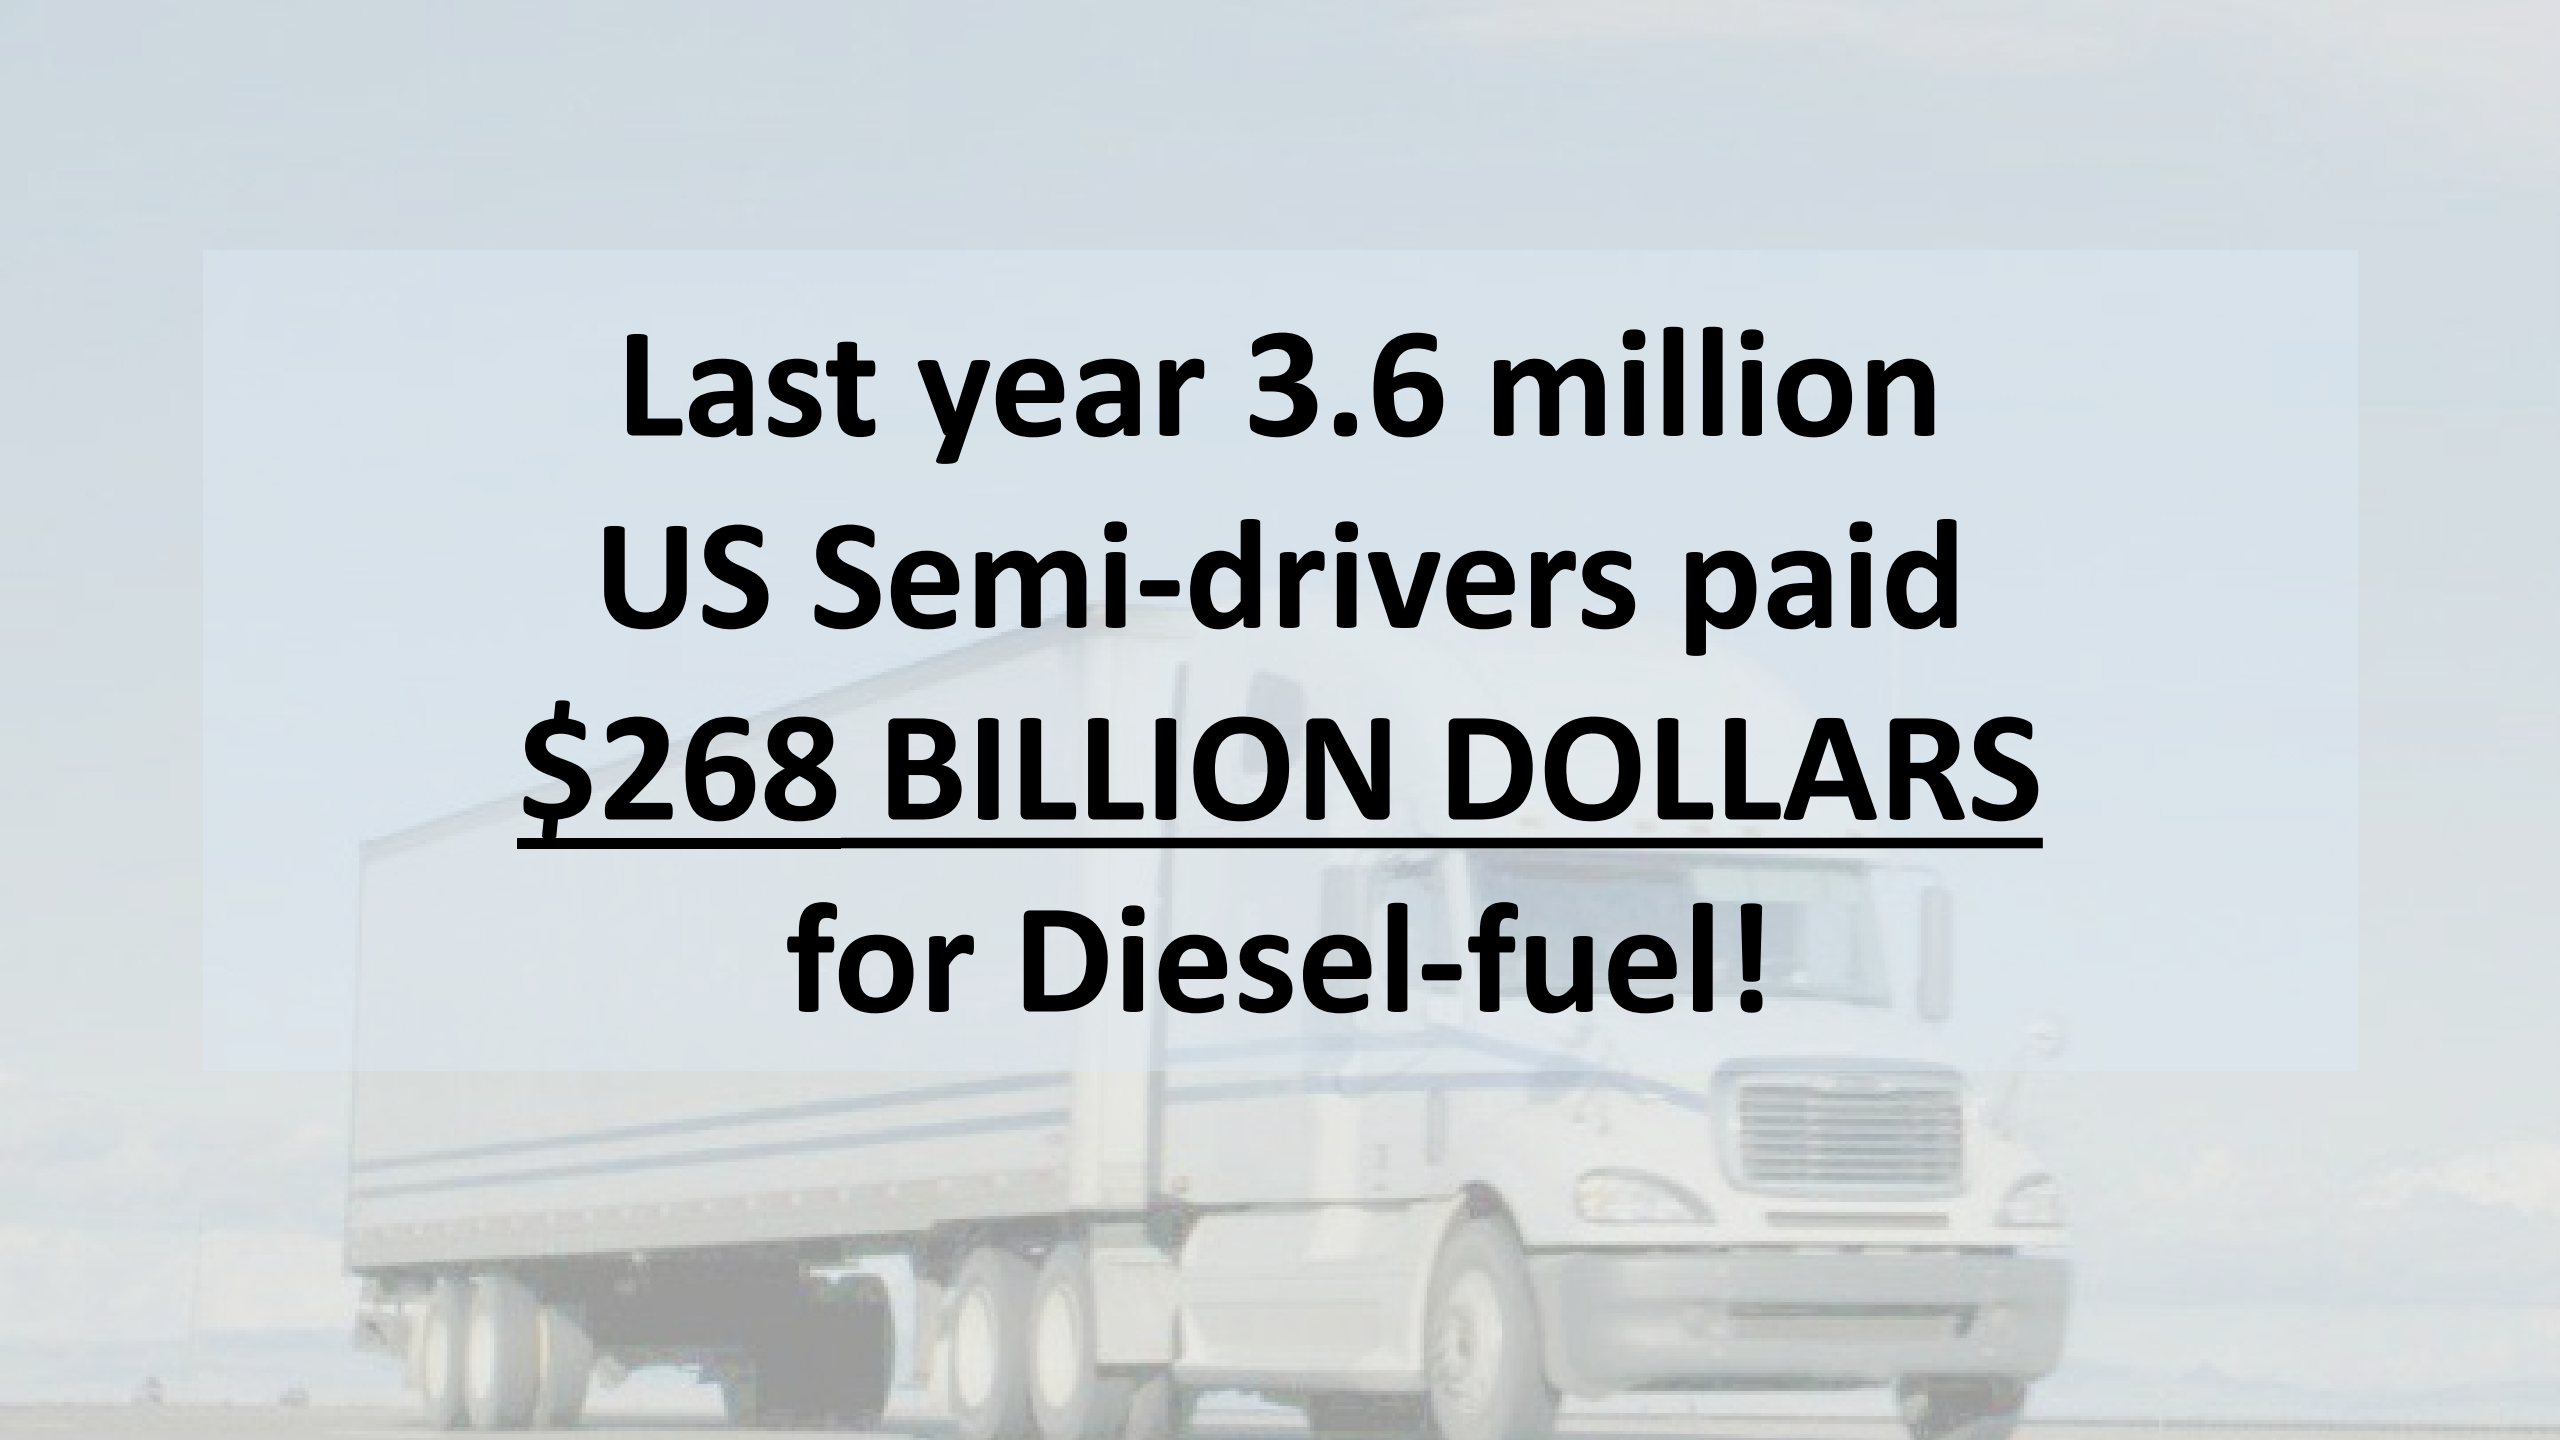

Diesel prices hit record highs

US national average (\$/gallon)

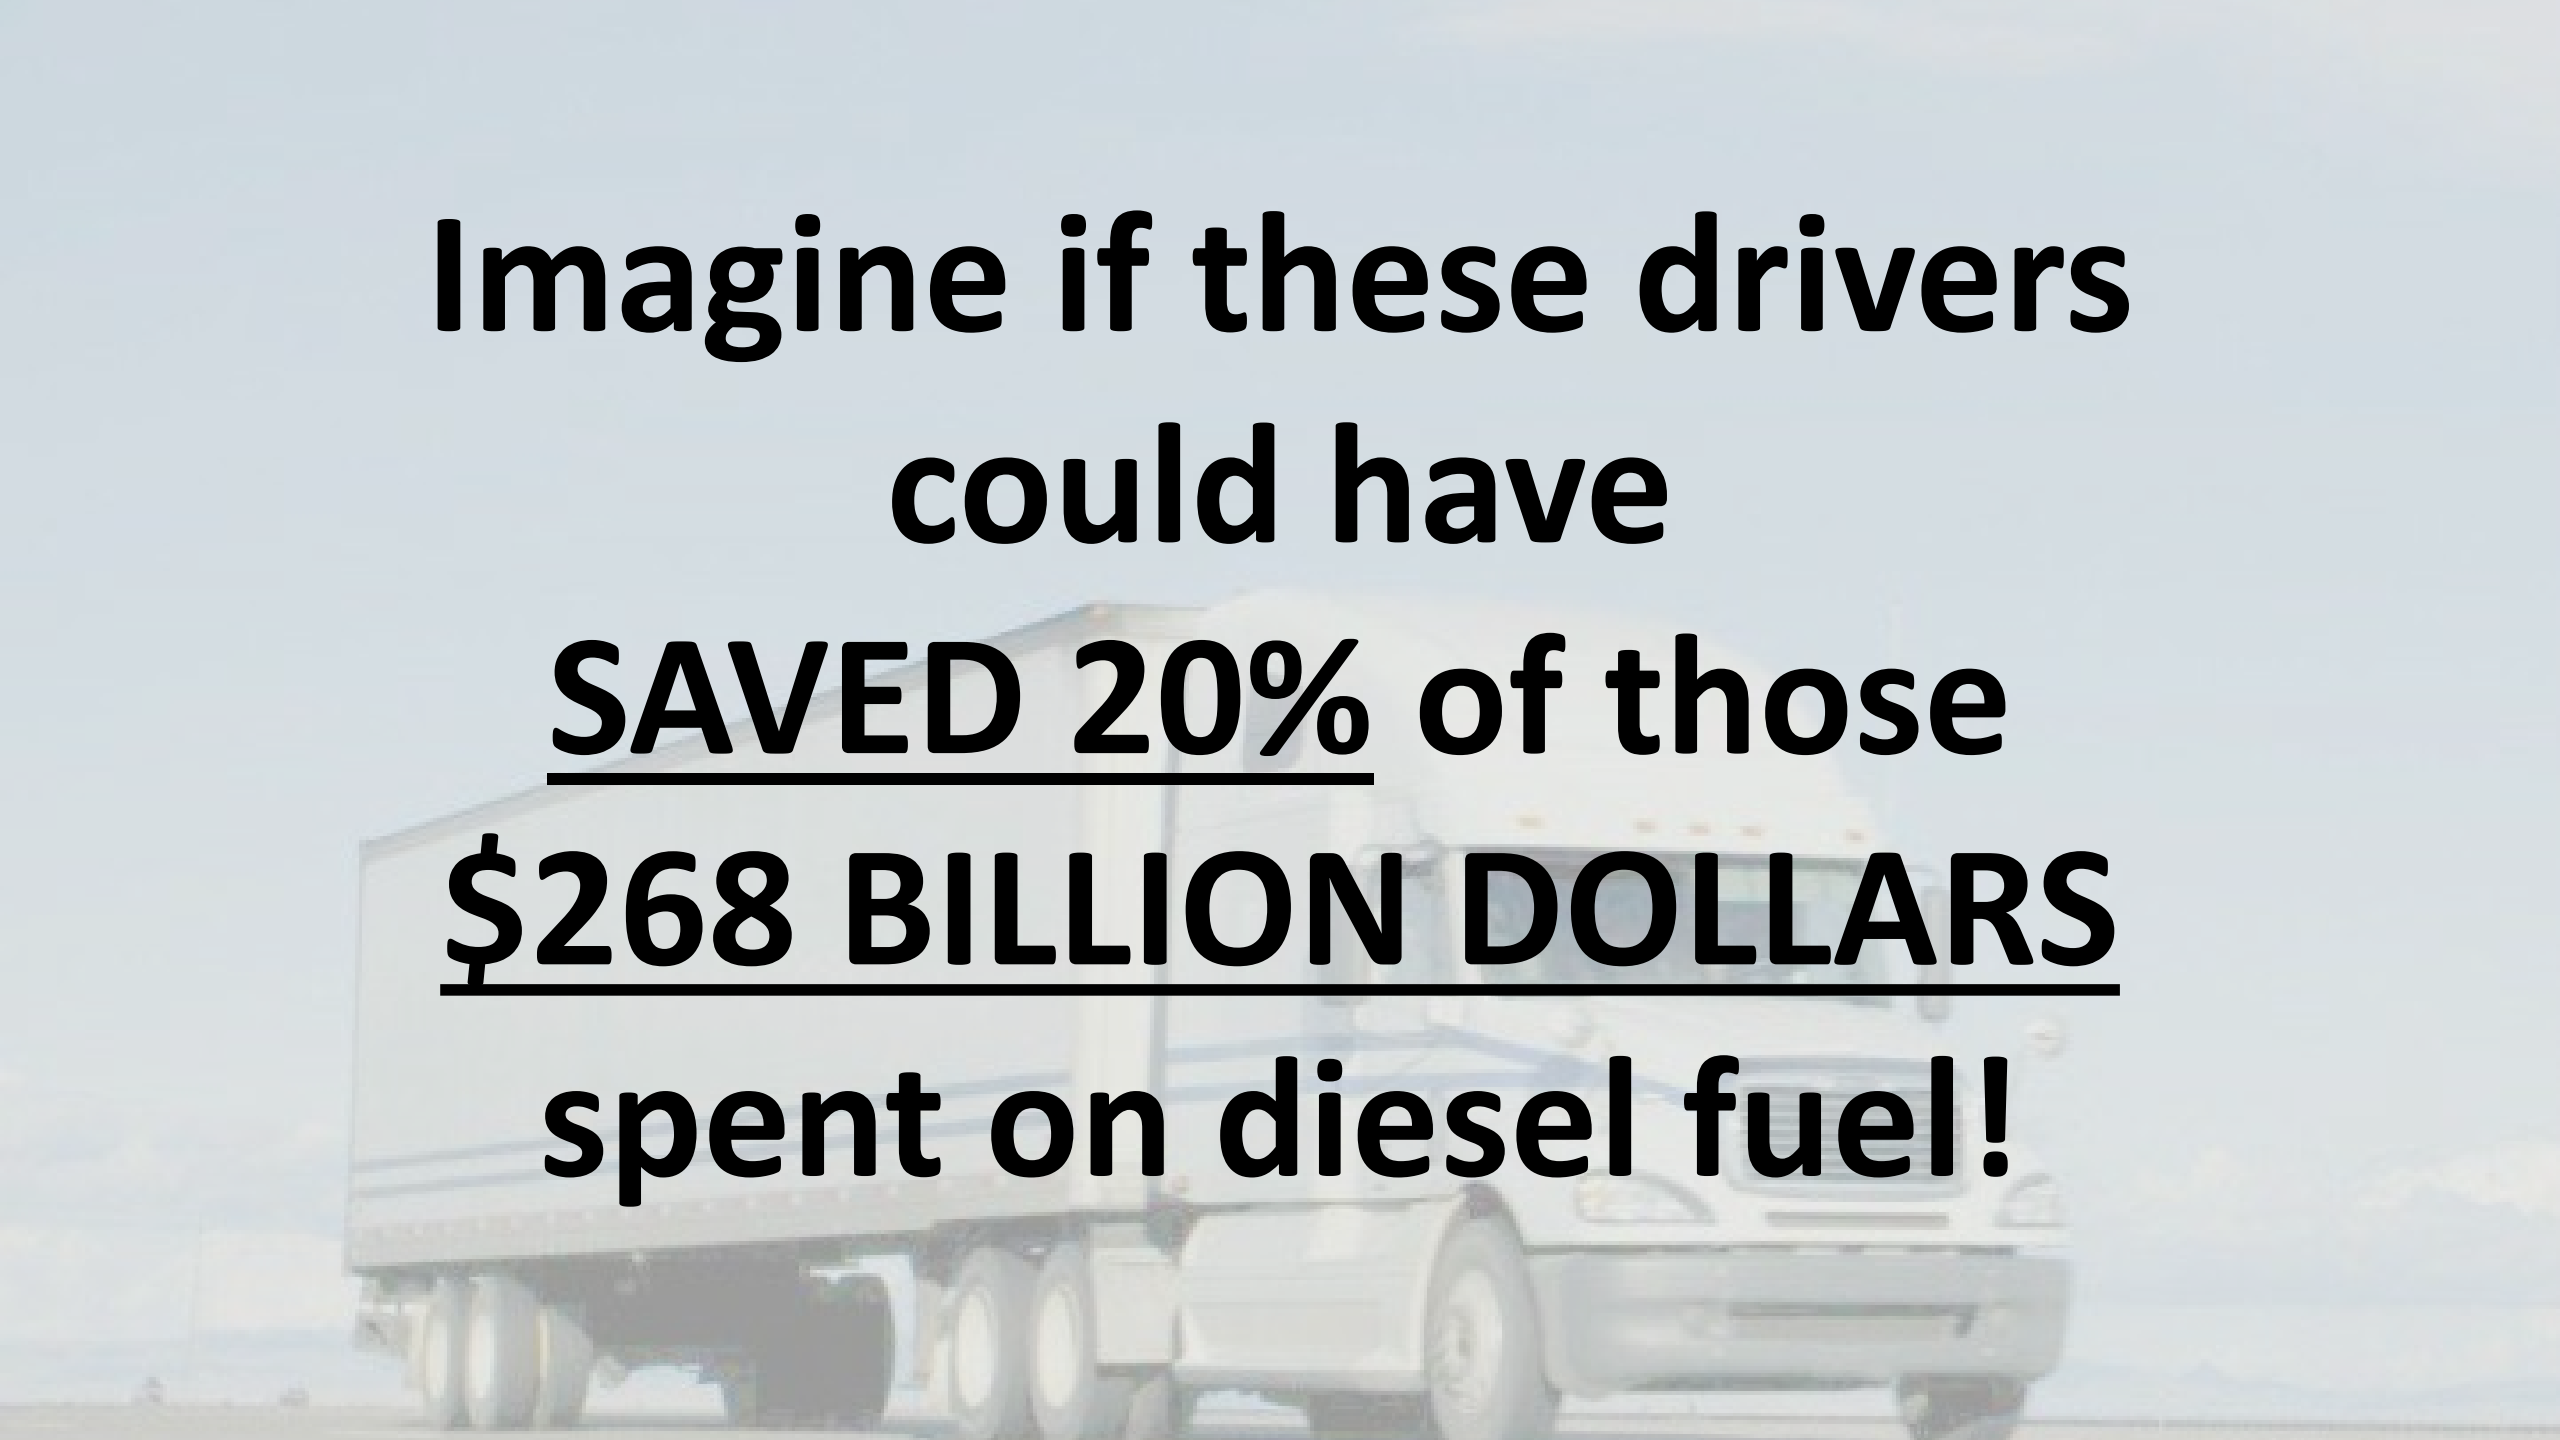

US DIESEL FUEL PRICES SINCE 2011

Source: Energy Information Administration

A white semi-truck is shown driving on a road, viewed from a low angle. The truck is the central focus, with its front grille and headlights visible. The background shows a clear sky and distant mountains.

**Last year 3.6 million
US Semi-drivers paid
\$268 BILLION DOLLARS
for Diesel-fuel!**

A semi-truck is shown driving on a road, with a hazy background. The truck is white and has a large trailer. The text is overlaid on the image.

**Imagine if these drivers
could have
SAVED 20% of those
\$268 BILLION DOLLARS
spent on diesel fuel!**

Introducing OUR SOLUTION for HIGH Diesel Prices!

But Why Hydrogen?

HYDROGEN IS A PERFECT FUEL!

**IT'S THE MOST ABUNDANT ELEMENT IN
THE UNIVERSE! IT FUELS OUR SUN AND ALL
OF THE STARS! NO HYDROGEN = NO SUN =
NO LIFE ON EARTH.**

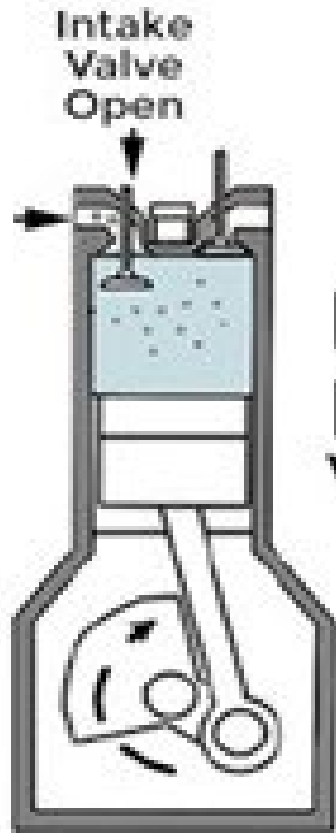

**Our System CREATES Hydrogen
while the Truck is IN MOTION!**

**When the engine is TURNED OFF, NO
more Hydrogen is made or stored!**

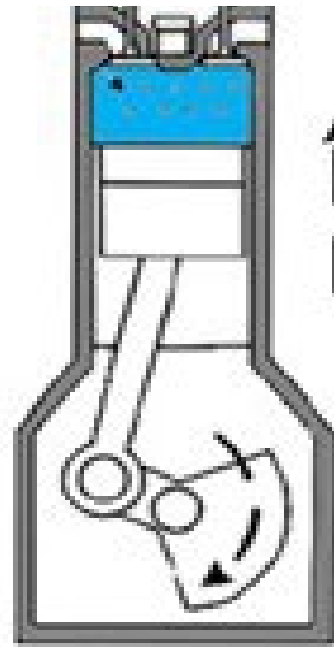

Our System mixes the new Hydrogen With AIR and then they CO-COMBUST!

HYDROGEN
& AIR IN

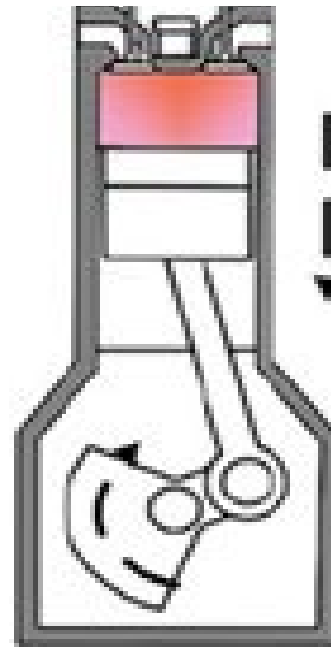

Intake

DIESEL IS
INJECTED

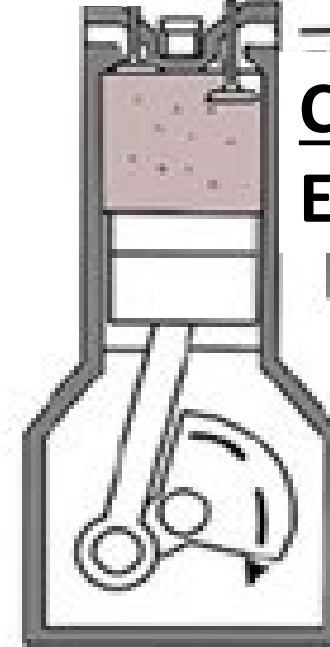

Compression

DIESEL/HYDROGEN
CO-COMBUST

Power

Exhaust Valve Open

Exhaust

CLEANER
EXHAUST OUT

Here are the BENEFITS!

BIG FUEL SAVINGS!

**MORE ENGINE
POWER!**

**A CLEANER
BURNING ENGINE!**

**CLEANER ENGINE
EXHAUST!**

**CLEANER FUEL
FILTERS!**

QUICK PAYBACK!

Our Unit easily fits on Diesel Semi-Tractors!

**DIESEL &
HYDROGEN
CO-COMBUST.**

**OUR UNIT IS
INSTALLED.**

**HYDROGEN IS
PRODUCED.**

Our Unit is EASY to Install and Access!
