More info about participating as a floral artist at
www.mahtomedigardenclub.org

Enjoy free informative presentations

1:30pm Gallery talk by Lake Country Pastel Society

2:00pm – "Pollinator Friendly Gardening; Gardening for Pollinators, Bees, Butterflies & Other Pollinators"

Rhonda Fleming Hayes is an award-winning author and photographer (book will be for sale). She is a member of the Garden Writers Association and has won two Garden Writers Association Awards Silver Medals. Rhonda is a member of the Herb Society of America, the Xerces Society and the Minnesota State Horticultural Society and she is a trustee of the Minnesota Landscape Arboretum.

3:30pm – Make and Take Bee Bomb Event

Bee Bombs are wildflower seeds and soil encased in a clay ball. Learn how to create a gift for our pollinator and bird friends. We call these little balls of clay "bombs" because when they are dispersed, they will literally explode with beautiful wild flowers. Hosted by Sue Kowalski, MGC.

This event is FREE

Mahtomedi Garden Club - 76 Years Strong

Our members have been committed to sharing their love of gardening in our community for 76 years (1943-2019) Thank you for your support at our fundraising events. This enables us to offer plants for public gardens, gardening education and grants for area gardening projects. We are committed to continuing this tradition for many years to come.
