PARKING LOT PAVING

It's **LONG** overdue and truly must be done. However, it means we have to **CLOSE** for a couple days!!

As you can see in the photos (if you haven't noticed when parking), our parking lot is in desperate need of repair. After collecting over a dozen estimates last year and considerable deliberation, we are getting our parking lot repaved!

It is currently scheduled for **Monday and Tuesday April 13th and 14th**. The project however is of course "weather permitting." We will be **CLOSED** both days, however, should we need to change the date for any reason you will need to be on the lookout. We will send an email as well as facebook posts as necessary.

Should you have any questions or concerns, feel free to call the office at 215.946.6815.

This just in. We can now replace your entire spine.

April Fools!

Dr. Randy Vacation

Dr. Randy will be taking his annual month of vacation in April this year.

He will be out starting Monday, April 6th, through and including Thursday, April 30th. He will return to his regular hours starting Friday, May 1st.

Dr. Judy will be covering all of his regular hours except, of course, when we are closed for parking lot paving.

Have a Blessed Easter!
