Our Chiropractic Kids Club is in full swing!
We have nearly 50 kids signed up so far! And it's not too late for your kids to get in on the fun!

Each time your children (up to and including age 13) have their spines checked FIVE times, they will get to pick from our prize tin!

Do we have your Email address?

If we don't, please give it to the person at the front desk during your next visit. A couple times a month we send e-newsletters to inform you of what's going on in the office. It is the most effective way of communicating with you.

Please help us spread the word by liking our Facebook page, checking in, and sharing our page with your friends
