## Wondering What to Get Dr. Judy for Christmas!?!

For thirty years, I have been the recipient of so many amazing, generous, thoughtful gifts and expressions of love each holiday season. I am always so grateful for your generosity. If you've begun to think about holiday giving, may I humbly suggest you consider a gift I would be most grateful for? Sherman College of Chiropractic has established a scholarship in honor of Dr. Joe Strauss, founder of the Strauss Chiropractic Center and owner from 1967 to 2013. Nothing would tickle me more than your giving to this worthy and needed scholarship campaign.

The campaign was started to honor Dr. Joe for his significant contribution to chiropractic and to humankind. The scholarship will also be significant as after it is fully funded it will run in perpetuity. These projects are particularly timely as Dr. Joe has begun to exhibit progressive cognitive deficits. They are likely due to significant strokes he experienced in 2013 and 2019. **That makes NOW a wonderful time to let Dr. Joe know how much you appreciate him.**

You are largely able to benefit from regular ongoing chiropractic care today because of the long-time, significant efforts of this single individual. He established the Strauss Chiropractic Center as well as the unique way the office runs that allows so many people to get the care that would otherwise be unattainable and/or unaffordable.

As someone who directly benefits from Dr. Joe's efforts and his life, kindly consider making a donation to this campaign. To be a part of creating the Joseph B. Strauss Scholarship and show your gratitude for Dr. Joe, go to [www.sherman.edu/strauss](http://www.sherman.edu/strauss). Donations of all sizes are welcome. Please note that expressions of gratitude and love for Dr. Joe and his wife of 56 years, Iris, can be done electronically on the site or sent in care of Sherman College or dropped at the Strauss Chiropractic Center on your next visit. Thank you for your generosity and for giving a gift that will keep on giving long after we are gone.

**WITH HEARTFELT WISHES**

**FOR A JOYOUS HOLIDAY SEASON**

**AND A HAPPY AND HEALTHY NEW YEAR!!!**
