Help Us Warm the Hearts and Lives of Those in Need

Throughout the month of January, The Strauss Chiropractic Center will be collecting blankets and coats (of all sizes) for those in need. Items will be donated to the good people who run the Homeless & Those in Need Program in cooperation with St. Thomas Auinas Parish.

Used items are most welcome. We simply request that they be thoroughly cleaned. Your generosity is most appreciated.

As winter approaches,
the possibility of
unexpected office
closings due to weather
obviously increases. To
insure you have the latest
in office hours and who
will be covering, please
like us on

Facebook (Strauss Chiropractic Center)
and/or be sure you are on our email list. Feel
free to discuss any questions or concerns
you have with anyone at our office.

Friends...

As the year draws to a close and the holiday season is upon us, we want to sincerely thank you for your continued trust in our office for your chiropractic care.

2025 brought several significant challenges to our practice: a serious diagnosis for Dr. Gerry, the departure (and return) of Dr. Randy, road construction all around the property, water line breaks, tree and stump removal, and economic challenges for all.

We are so grateful for those of you who have remained loyal to our office throughout these challenging times by coming regularly and even referring others!!! The greatest compliment you can give is sharing your positive experiences about our office with others. Since 1967, our office has thrived on word-of-mouth referrals, long before the advent of computers, cell phones or google. Our unique fee system continues to rely on this method even today.

We are also blessed that at the core of our office operations, Lindsay, Mary, Lisa, Diane, and Kim continue to manage the front desk (and back office) with exceptional dedication. Amid the many changes that 2025 delivered, they have consistently gone above and beyond to ensure good communication, pleasant greetings, and personal care for all our practice members.

Through all of this, good times and bad, **our mission** remains the same as it was in 1967: **to provide a place where every member of the community can receive excellent, regular, affordable, life-enhancing chiropractic care for themselves and their families.**

As we look back on 2025 and all it has brought, we remain excited about the opportunities and growth that lie ahead in 2026. But we will surely need you to make it happen. We remain committed to serving our practice members with the highest standard of chiropractic care. Who do you know that would benefit from our care? Hint: EVERYONE benefits from a clear nerve system. Would you kindly tell them about the Strauss Chiropractic Center today?

Warmest wishes for a healthy, joyful holiday season and a fantastic year ahead.

With gratitude,
Dr. Judy and staff
