Strauss Chiropractic Center's New Digital Pamphlets!!

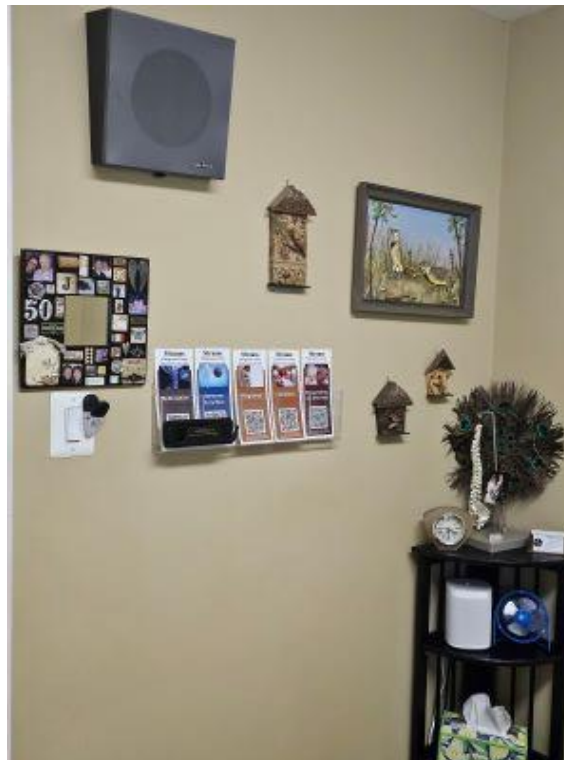

After much consideration, we are happy to present our new digital pamphlets! We understand that in 2024, most people communicate with their friends and loved ones with smart phones. Consequently, it made sense to move our old paper pamphlets to a digital format that could be easily captured and distributed.

Paper brochures need to be physically distributed, which can be time-consuming and sometimes do not reach their intended audience. Digital brochures can be easily shared through text, email, social media, or a website.

If covid taught us anything, it was how to use QR codes. From restaurant menus to contactless payments, QR code usage rose exponentially in the last four years and is expected to reach 100 million scans in 2025.

Of course, we understand that not everyone has the technology, experience, or desire for digital pamphlets. No worries. Our staff will be happy to help. Just ask!

Digital pamphlets are easy to use, cost effective, planet friendly, and very 21st century. Check out our new digital brochures on your next visit and be sure to share them with friends and loved ones. There are 11 different topics to choose from and you will find them at the front desk and assorted topics in each room (see photos.) We hope you use and enjoy them!!

How to use our New Digital Pamphlets

1. Identify the topic (or topics) of interest to you or your friend or loved one. There are eleven different topics from which to choose.
2. Using the camera function on your smart phone, scan the QR code on the pamphlet card. (Feel free to remove the card from the holder if necessary. Be sure to replace the card for others when you are done.)
3. After you've scanned, tap the link that appears on your phone. It will open to the digital brochure.
4. Once you are at the digital brochure you can read, tap on the link that takes you to the Strauss Chiropractic website for more information, or share it with others via text, email or social media. You also have the option to download and save it if you like.
5. If you should have any problems or questions, feel free to ask anyone at the office.

Thank you for sharing the Strauss Chiropractic Center with your friends and loved ones.
