Thank you especially to those of you who found a way to get here! You did an awesome job!!

Father's Day Friday

The Strauss Chiropractic Center is inviting all Dads to come and receive a special gift on what we call Father's Day Friday (June 13th).

If you're a Dad and you and your family are already under chiropractic care, consider this our way of thanking you for being involved in this important family decision. If you are a Dad whose spouse and/or family are currently under care but you are not--why not take this opportunity to learn more about what your loved ones have been talking about.

Remember EVERYONE is better off with a clear nerve system!!

Thank you to all our Dads, Grandfathers, Godfathers, and Stepdads for all you do and all the love you give. You make the world a better place. Happy Father's Day!
