SOME OF THE MANY CAUSES OF VERTEBRAL SUBLUXATIONS IN DADS

- Carrying the back-pocket wallet
 - Giving piggyback rides
 - Paying the bills
 - Painting the living room
 - Cutting the hedges
 - Cleaning the gutters
- Teaching their children to drive
- Breathing in fumes from grill cooking
 - Making hard decisions
- Worrying about where their kids are
 - Getting caught in traffic
 - Putting in the air conditioners
 - Building a shed
 - Cleaning the pool
 - Paying allowances
- Playing ball like they are kids
- Packing the car for vacation
 - Fishing with the kids
 - Mowing the lawn
- Bearing the heavy burdens of the family
 - Saying no
 - Working overtime
- Holding children up high so they can see
 - Carrying the heavy groceries
 - Being the leader

**DADS NEED TO BE
CHECKED REGULARLY FOR
VERTEBRAL
SUBLUXATIONS!**

Father's Day Friday

The Strauss Chiropractic Center is inviting all Dads to come and receive a special gift on what we call Father's Day Friday (June 19th).

If you're a Dad and you and your family are already under chiropractic care, consider this our way of thanking you for being involved in this important family decision. If you are a Dad whose spouse and/or family are currently under care but you are not--why not take this opportunity to learn more about what your loved ones have been talking about.

Remember EVERYONE is better off with a clear nerve system!!

Thank you to all our Dads, Grandfathers, Godfathers, and Step-dads for all you do and all the love you give. You make the world a better place. Happy Father's Day!

Chiro Kids Club!!!

Starting THIS MONTH, the Strauss Chiropractic Center Chiro Kids Club returns for its 2nd year ! The Club works like the frequent shopper/loyalty programs that you are probably familiar with from grocery stores, pharmacies, and pet stores you frequent.

Each time your child (up to and including age 13) has his or her spine checked, we will punch their Chiro Kids Club card and when they accumulate 5 they will have their choice of a "reward." Rewards include various things, like free ice cream, coloring books, small toys, and other playthings.

It's the Strauss Chiropractic Center's way of inspiring you to have your children's spines checked on a regular basis. They may not need to be adjusted, but we won't know that unless we check. The program will run from June 1st through August 31, 2026.

The nerve system controls every other system of the body, of course the musculo-skeletal system, but also, the immune system, the digestive system, the endocrine system, the cardiovascular system, and the respiratory system. None of the systems can function optimally if the nerve system isn't. That's true for you and it's true for your children. Why wouldn't you have them checked?
