Mother's Day Monday

The Strauss Chiropractic Center is inviting all moms to come and receive a special gift on what we call "Mother's Day Monday" (May 11th).

If you're a mom and you and your family are already under chiropractic care, consider this our way of thanking you for being involved in this important family decision. If you are a mom whose spouse and/or family are currently under care but you are NOT--why not take this opportunity to learn more about what your loved ones have been talking about?

Remember everyone is better off with a clear nerve system.

Thank you to all our Moms, Grandmoms, Godmoms, and Step-moms, for all you do and all the love you give. You make the world a better place to live.

Happy Mother's Day!
