

Momentum Therapy
Specialized In-Home Therapy

Lynn Dennie

CORE STRENGTHS:

Highly proficient medical professional with over 35 years of general and specialized experience as well as excellent bedside and treatment skills (my clients love me!). Accomplished well beyond my A.A.S degree in Occupational Therapy would imply, I have over two decades of experience practicing consulting on and teaching specialized techniques to serve general conditions, movement disorder and memory care clients. In addition, I have excellent marketing skills having served as the Chairman of the Marketing Committee for a successful multimillion dollar campaign for a specialized Alzheimer's unit at a local retirement community.
