

## Song Writing Worksheet

To assist in guiding the creative process of song writing, this worksheet can be used to organize ideas and develop different parts of the song. Not all sections will be appropriate and/or need to be utilized for all songs.

**Song Writer(s):**

**Genre of Song & Beamz Music Used:**

**Song Title:**

**Main Idea or Theme of Song: *What is your song about?***

**Verse 1: *Introduces the idea of the story of your song, or sets up a central idea***

**Chorus:** *Summarizes the ideas presented in the verses, and contains the central idea of the song (this is typically repeated after every verse, and possibly multiple times at the end of the song)*

**Verse 2:** *Continues the idea or story started in the first verse*

**Bridge:** *Creates a contrasting idea, or a new perspective on the original idea*
