Updates

We hope everyone is having a great year so far at the saddle club. Unfortunately we had to cancel our 3rd Fun Show this past weekend, which marks the half-way point of our season. Remember that in order to be eligible for year-end awards you must show in 50% of the class that you wish to compete in.

A lot of exciting things are happening this season. With COVID hopefully being behind us we are able to host more events. Beginning July 23 the club will be co-hosting the 5D Friday Night Lights Series. This will be on every Friday evening at 7:30pm and goes until September 10. Special thanks to Cindy Phillips and Jamie York for heading up this event. Please come out and join in the fun, watch or get those volunteer hours in by lending a hand at events or doing work at the club in your spare time. The club will also be having work nights on Tuesdays during the series. We want the grounds to look as nice as possible.

We have had a good start with our sponsorships this year. Currently, with the help of the 14 businesses, the club has received \$3,100 for the rodeo, fun shows and the barrel series. If you know of a business that would like to be a sponsor please send the information to Melissa Popp, 573-578-8468 or stcsc.business@gmail.com.

The club has sustained some damage from the recent storms. The light pole behind the cook shack, that services the arena lights, was knocked over. Thankfully Larry Lawrence was up to the task and got everything back in order. Larry has also been doing a wonderful job keeping the arena looking nice for the shows.

Speaking of the arena, the club is hoping to be able to run the landscaping rake aka rock picker in the arena soon. This will be funded by the barrel practice donations. Cindy has graciously donated her time and the earnings from donations to help with the rental of the rake and new sand for the arena. Now let's just pray that the rain holds off for a couple of weeks.

Last, but not least, the club members have decided to get quotes for liability insurance, which includes all of our events. We will have three insurance representatives (one at each monthly meeting August, September & October), to give a presentation on our current coverage and additional coverage that the club should add. This is very important that members attend. Our renewal is in April, 2022, but the board would like to have a vote before December on insurance coverage and company to provide said insurance. We strongly encourage all the members

Quick Notes:

- ◆ Fun Show points are now posted on the website! If you haven't looked lately, come check it out at www.stclairsaddleclub.com
- ◆ BCHMO has a few things coming up. Check out their website at www.bchmo.org
- ◆ Please keep the Mehler Family in your prayers. They have been long time supporters and members of the saddle club.
- ◆ The club has already started discussions about year-end awards. If you have any suggestions, please let us know or e-mail contact@stclairsaddleclub.com
