FRIENDS OF HAVEN GREEN

The Friends are committed to caring for and enhancing the green space for everyone's enjoyment. They were instrumental in restoring the green after the Ealing Broadway station development. However, there's still a drainage issue behind the taxi rank that needs attention. If you're interested in contributing, please reach out to the editor at stephen7675@gmail.com.

ANYONE FOR BRIDGE?

If you'd like to play bridge from time to time at the Baptist church, whether or not they already have a partner, please email the editor at stephen7675@gmail.com. If we can get eight or more then duplicate is, as it were, on the cards.

OBITUARIES

We regret to inform you of the passing of two cherished long-term residents of Haven Green.

Ibrahim Bushehri, a resident for thirty-five years, passed away in December at the remarkable age of 102. His daily walks from Marble Arch to Ealing likely contributed to his longevity. Ibrahim was the third resident in the last seven years to reach the century mark.

Joe Kearns, aged 92, passed away in September. He was a retired doctor who lived here for twenty-five years and served as board chairman from 2005 to 2011. Interestingly, as a schoolboy in the 1930s, he witnessed the construction of Haven Green Court.

MEET THE DIRECTORS

Welcome to Haven Green Court, where our commitment to creating a safe, comfortable, and vibrant living environment is led by our dedicated team of directors. Each director brings their expertise and passion for community living to the forefront of our operations

ANNUAL GENERAL MEETING

The Haven Green Court AGM on January 29th saw twenty-four shareholders present. Mr. Anup Garg raised concerns about accounts management, but the chairman stated they were previously addressed by a property tribunal judge, the account was approved. Survey results were presented, with plans for redecoration and road resurfacing outlined. Participants discussed issues like dumbwaiters and lift doors, to be reviewed by the board. More details are available in this newsletter.

RESIDENT SURVEY

At Haven Green Court, built in 1938, the first-ever resident survey was conducted at the end of last year. Residents expressed satisfaction with various aspects of living here, including parking, cleaning, gardens, and overall estate management, as well as the service charge. They particularly favored having a resident estate manager. However, they indicated a desire for improvements to common areas like carpets, stairwells, block doors, and canopies, as well as to the service road.

The chairman mentioned ongoing plans for internal redecoration, service road resurfacing, and the installation of new canopies, expected to be completed by next year's end.
