

Egypt

Points of Interest:

- Luxor
- Cairo
- Abu Simbel
- Alexandria
- Sharm El Sheik

Step into a land where ancient mysteries and modern luxuries intertwine. Egypt isn't just a destination—it's a journey through 5,000 years of fascinating history, guided by expert Egyptologists who bring every stone and story to life.

Imagine watching the sunrise over Luxor from a hot air balloon, the temples of Karnak and ancient valleys unfolding beneath you like pages from history. Cross the legendary Nile to explore the Valley of the Kings and Queens, where pharaohs began their journey to the afterlife. At Abu Simbel, marvel at the engineering feat of both ancient and modern times—massive temples relocated in the 1960s, yet losing none of their grandeur.

In Cairo, stand before the last remaining Wonder of the Ancient World—the Pyramids of Giza—while the enigmatic Sphinx keeps its eternal watch. Discover King Tutankhamun's gleaming burial mask and come face-to-face with the mighty Rameses II at the Cairo Museum. Wander through Old Cairo's Coptic church, where ancient Christian history whispers through medieval walls.

Seeking Mediterranean charm? Alexandria beckons with its cosmopolitan atmosphere and classical heritage. For beach lovers, the Red Sea resort of Sharm El Sheikh offers world-class diving and luxurious relaxation under the Egyptian sun.

The best time to experience this ancient wonderland is during winter and early spring, when comfortable temperatures make exploration a delight. Let us craft your perfect Egyptian adventure—where every moment becomes a treasured memory.
