A Capped Diamond Closet Rods

B Supports

Rialto Capped Diamond Closet Rods

The Rialto collection brings an avant-garde edge to closet design, combining bold materials and unexpected contrasts. Expertly crafted in Italy and inspired by contemporary style, each piece offers a distinctive, curated statement. Over twelve possible combinations with supports, offering tone-on-tone or contrasting color options.

Rods

- ◆ Equipped with a protective cover to prevent scratches and reduce noise
- ◆ Lightweight and easy to cut
- ◆ Available in two lengths and two colors

Supports

- ◆ Can be mounted under a shelf or on the side of a cabinet (screws not included)
- ◆ Sold as a set (one left and one right)
- ◆ Available in six colors

LED Closet Rods

Goccia

Designed by Giuseppe Bavuso, the Goccia LED closet rod merges elegance and innovation in one seamless form. With its refined aesthetic and advanced technology, Goccia delivers both energy efficiency and everyday functionality where beauty meets intelligent design.

- ◆ Integrated motion sensor automatically turns the light on and off (30-second timer)
- ◆ Light efficiency: 85 lm/W
- ◆ Clear coating protects the rod from scratches
- ◆ Original drop-shaped design in anodized aluminum finish
- ◆ Load capacity: 10.09 lb/ft (15 kg/m)
- ◆ Average lifespan of 50,000 hours

Castor

Sleek and sophisticated, the Castor LED rod brings modern design and smart functionality to the closet. Its adjustable length allows for a tailored fit by simply trimming the profile, diffuser, and LED strip.

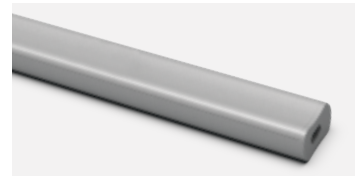

- ◆ Available in two configurations:
 - ◆ With PIR motion sensor for automatic on/off and a detection range of approximately 39" (100 cm) outward and 63" (160 cm) wide
 - ◆ Without sensor, for use with alternative switches such as the BTRF switch or proximity sensor
- ◆ Light efficiency up to 65 lm/W
- ◆ Quick installation using side supports and a central support
- ◆ Pre-wired support with 72" (1,829 mm) Micro24 power cable
- ◆ Load capacity of 13.4 lb/ft (20 kg/m)
- ◆ Average lifespan of 50,000 hours

ROD AND SHELF SUPPORTS

A Support for Oval Rods and Shelves

A Supports for Oval Rods and Shelves

Supports for Oval Rods and Shelves

Oval rod and shelf supports are designed to maximize storage space while balancing clean design with functional performance. Their adaptable construction offers smart solutions for a wide range of organizational needs.

- ◆ Support for oval rods measuring 5/8" x 1 1/8" (15 x 30 mm)
- ◆ Shelf depth capacity up to 14" (356 mm)
- ◆ Seamlessly integrates with our selection of closet rods
- ◆ Shelf not included

B Support for Round Rods and Shelves

B Support for Round Rods and Shelves

Supports for Round Rods and Shelves

Round rod and shelf supports help optimize storage space with both style and efficiency. Designed to accommodate a variety of needs, they combine functionality with a clean, sleek look.

- ◆ Provide optimal stability with integrated rod-mounting hole
- ◆ Support round rods up to 1 5/16" (34 mm) in diameter
- ◆ Shelf depth capacity up to 14" (356 mm)
- ◆ Seamlessly integrates with our selection of closet rods
- ◆ Shelf not included

A and B Smart Corner System

A Pivoting Closet Rod

B Sliding Closet Rod

A and B Closed system

A and B Open system

Smart Corner Closet Rods

Smart Corner System

Sliding and pivoting closet rods provide quick, easy access to garments. Designed to fit smoothly into tight corners, they optimize storage with clever, space-saving functionality.

- ◆ The front pivoting rod rotates fully outside the cabinet for immediate, complete access to garments
- ◆ Once moved, the rear sliding rod enhances organization by bringing clothing within easy reach
- ◆ Versatile rods can be mounted at full height for dresses or in two levels for jackets
- ◆ Reversible system fits perfectly on either left or right side
- ◆ Delivers lasting stability and reliable performance
- ◆ Available in satin nickel finish

Important Information

- ◆ Minimum inside width required: 61 7/16" (1,560 mm), based on both components installed at their original dimensions
- ◆ A fixed center shelf is required for two-level installation
- ◆ The front pivoting rod cannot be trimmed
- ◆ The rail and rod of the rear sliding system can be trimmed to size for a precise fit

Smart Corner Closet Rods

Ref.	No.	Description	Width	Min. Opening Width	Finish	Load Capacity
