

About the book, *Becoming a Diamond Snowflake: Discover Your YOUNique Brilliance*

Written with compelling information and with whimsical images by a seasoned coach with thousands of hours of coaching and mentoring, *Becoming a Diamond Snowflake: Discover Your YOUNique Brilliance* derives from some of the most mind tingling questions we encounter.

Becoming a Diamond Snowflake: Discover Your YOUNique Brilliance is a **workbook** designed for leadership and life discovery to guide you to awareness and authenticity - your YOUNique you.

The workbook provides self-discovery of your YOUNique ways, approaches, fun, needs, values and more. The workbook illustrates the importance of each person's YOUNique experiences, thoughts, beliefs, learnings, and actions, all which contribute to the evolution and the combination of a person's fragility and resilience.

The workbook includes...

13+ fascinating ideas and facts

50+ thought provoking writing prompts

13+ quotes to offer wisdom, a deeper understanding and insight

50+ pages to write your YOUNique reflections and introspections

And that's not all...

you get a playlist **and** a movie list to complement your awareness and discovery of your YOUNique brilliance!
