

Dupree Innovations LLC

COMPANY OVERVIEW

Dupree Innovation, LLC is a Hawaii-based firm that brings 20+ years of career federal service and defense contracting experience to the Pacific Rim. Our team has many years of collective experience in the Demolition, Water and Flood Abatement, and Remodel/Construction industries in Hawai'i. A locally owned and operated company, our scope of work encompasses demolition, hazardous abatement, water remediation, general construction, remodels for government, commercial and residential clients. Our goal is to provide you short notice, capable augmentation to your construction, staffing and general services subcontracting needs. We are a credentialed team capable of assimilating into any contracting/subcontracting need within the federal and Hawaii state services realm. We look forward to assisting you in sustaining your quality of service on your existing and future contracts with our fully staffed and modular multiple services teams.
