**DOORS OF HOPE INC.**  
"HELPING BUILD HEALTHIER COMMUNITIES"

1818 New York Ave NE, Suite 221,  
Washington D.C. 20002

## OUR VISION

---

Doors of Hope Inc's vision is to help in building healthier communities in the District of Columbia through the provision of optimal and top quality mental health rehabilitation services to children, adolescents, youth and families. Our focus on this targeted population is based on our shared vision with the District of Columbia Department of Behavioral Health's vision of improving the performance of the public mental health system, for the health and well being of the District. Children and Youth are the future of our communities.

## OUR MISSION

---

The Mission of Doors of Hope is to provide individualized and person-centered mental health services to children, adolescents, youth and families resident in D.C. with a view to promoting Health and Wellness, with Empowerment, and the Hoped for High Quality Life in Recovery as the End-Point.

## ABOUT US

---

Doors of Hope, is a Certified Core Service Agency with the District of Columbia Department of Behavioral Health. We serve children, youth and families who struggle with mental illness by providing community-based psychiatric services, psychotherapy and community support services.

We have qualified, dedicated and culturally competent staff who advocate on behalf of the consumers they serve to enable consumers access needed mental services resources.

Our location provide convenience, our programs offer a variety of individualized tailored interventions and our clinicians excel in assisting the individual to meet their therapeutic goals.

Doors of Hope, is here to support every consumer to optimize their opportunities for wellness and meeting their hopes and dreams of a high quality life in recovery as the end point.

**We Provide Office, Home, Community Based Services, and Telehealth in the District of Columbia. Our Services are Person-Centered and Include:**

- **Diagnostic/Assessment**
- **Counseling and Psychotherapy**
