West Door Styles & Finishes

# KEMPER®

## Deep Roots. High Expectations.™

---

There is a reason Kemper® is one of the nation's oldest cabinet companies. Our commitment to consistently deliver on the high expectations we set keeps our customers loyal and smiling. Count on Kemper to provide the well-built products you expect, the style you want and prices to fit your budget - all backed by the reassurance of a limited lifetime warranty.

## ONE BRAND. TWO PLATFORMS.

### FRAMED CONSTRUCTION

The more traditional of our two options, this is likely the cabinet construction you knew growing up. This platform features a 1-1/2" face frame behind the door and drawer front where the door hinges to the cabinet box, accommodating both full and partial overlay door styles. Regardless of the door style chosen, a portion of the frame will be visible when the doors and drawers are closed.

### FULL ACCESS CONSTRUCTION

A platform of European origin, this trending construction - sometimes referred to as Frameless - has become popular with homeowners in search of a more streamlined aesthetic. Since the frame is eliminated, only full overlay door styles are available. Cabinet sides are thicker for added stability and serve as a solid place for door hinges to be directly attached. Since there is no frame, only a small sliver of the cabinet box is visible when the doors and drawers are closed.

# Full Overlay Styles

---

Framed and Full Access Construction platforms are available on all Full Overlay door styles except when MDF is chosen. MDF door styles are available in Framed Construction only.

When Hardwood is painted, cabinet components, doors and/or drawer fronts may be constructed of various hardwood materials and/or composite materials such as Medium Density Fiberboard (MDF) and/or High Density Fiberboard (HDF).

When Hardwood is stained, cabinet components, doors and/or drawer fronts may be constructed of various hardwood materials.

## FULL ACCESS – STANDARD CONSTRUCTION

Full Access cabinetry is built without a traditional frame, leaving only a small sliver of the cabinet box visible when the doors and drawers are closed. This construction platform has become a growing trend for homeowners in search of a streamlined look. Available on most Full Overlay door styles with the exception of Shafer and MDF styles.

**See your designer for construction upgrade options.**

### CABINET BOX

5/8" Thick furniture board

### CABINET EXTERIOR

- Sides: matching laminate
- Wall cabinet top/bottom: Natural Maple laminate
- Back: unfinished

### CABINET INTERIOR

Natural Maple laminate

### DRAWERS

4-Sided, solid wood dovetail with full extension, Smart Stop™ guides

### HINGES

Fully concealed, easily removable 6-way adjustable cup hinge featuring Smart Stop™

### STRETCHER RAILS

5/8" Thick furniture board with Natural Maple laminate interior and unfinished exterior

### ADJUSTABLE SHELF

3/4" Thick furniture board with Natural Maple laminate and PVC edgebanding

### TOEKICK

Unfinished furniture board; field-applied; Toeboard required

## SHEENS

### SATIN SHEEN

Our timeless original top coat features a moderate sheen which is reflective without being too glossy. Available on all stains, glazed stains, paints and glazed paints.

### MATTE SHEEN

Our low sheen top coat is less reflective and absorbs more light, resulting in a softer, more muted look. Available on all stains and glazed stains. Not available on paints or glazed paints.

## FRAMED – STANDARD CONSTRUCTION

This more traditional option features a 1-1/2" wide face frame behind the door and drawer front. Regardless of the door style chosen, a portion of the frame will be visible when the doors and drawers are closed. Available on all Full Overlay and Partial Overlay door styles.

**See your designer for construction upgrade options.**

### CABINET BOX

- Top and Bottom: 3/8" Thick furniture board
- Sides: 1/2" Thick furniture board
- Back: 3/8" Thick furniture board

### HINGES

Quick-Release™, fully concealed, 6-way adjustable cup hinge with Smart Stop™.

### I-BEAM BRACES

3/8" Thick furniture board

### ADJUSTABLE SHELF

3/4" Thick furniture board with Natural Maple laminate and PVC edgebanding

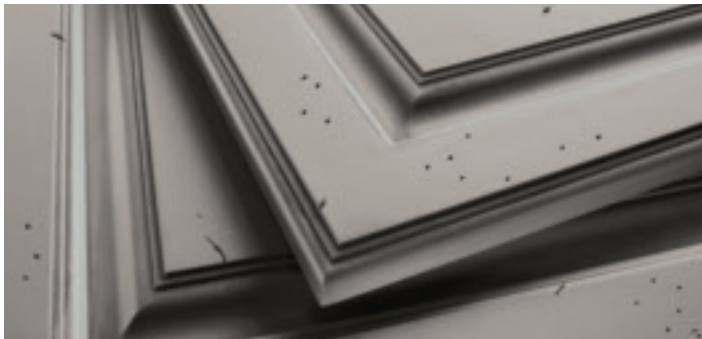

### TOEKICK

Unfinished furniture board; field-applied; Toeboard required

---

## TECHNIQUES

### DISTRESSING

Unique imperfections like wormholes, chisel marks and tiny dents and dings replicate the wear found on a well-loved piece of furniture.

### HEIRLOOMING

Over-sanded edges and profiles expose the underlying wood to create a naturally aged appearance, lending depth and character.
