

# Michigan State Lectureship

For the Churches of Christ

July 25 – 27, 2024

## *Itinerary*

### Overview

This three-day event is to educate the saints, strengthen fellowship, and edify the body of Christ. For too long we have been separated by a number of things. This is an attempt to remedy that. Whenever God's people are unified and working together God gets the glory, the body is Blessed, and we prove the Father sent his only begotten Son. So, let's celebrate our Oneness, increase our faith, and show the world that the Lord only needed one church to do his will! It is our prayer that this becomes an annual event that lasts until Jesus returns! Amen!

Participating Churches of Christ: Allen Park, Auburn Hills, Chicago Avenue, Eastern Avenue, Eastside Pontiac, Flint Bristol, Gateway, Higby Street, Holford Street, Holmes Road, Linwood; Mall City, North Central, Northside, Northwest, Oakland, Redford, Russell Woods, Saginaw, South 17<sup>th</sup> Street., Van Dyke, Virginia Avenue, Walled Lake, and Wyoming.
