

# DCAP RECAP

Get a glimpse on what's new and exciting in the Data Center Association of the Philippines and the industry!

## MID-YEAR EXECUTIVE ROUNDTABLE SUMMIT

Committed to advancing the industry, DCAP recently held its Mid-Year Executive Roundtable Summit, bringing together a full house of sector leaders to discuss strategies on facilities management and explore new trends and insights within the data center space.

Industry leaders formed the roster of speakers and panelists that shared insights on Data Center Operations and Facilities Management Strategies, as well as updates on the Data Center Industry. The line-up included DCAP's Steve Davis, Victor Aliwalas and Patrick Signo, EPI Group's Edward Van Leent, ENDEC Group's William Johnson, A-Flow Properties' Kevin Krishna, and JLL's Andrew Green.

The Data Center Association Of The Philippines officially inducts some of its newest members in an Oath of Commitment ceremony during the recently concluded DCAP Mid-Year Executive Roundtable Summit held in Makati.

### Welcome to DCAP!

EPI Group, A-Flow Properties | Corp., Responsible Internet Sustainability Effort, Inc., Kawasaki Heavy Industries and ENDEC Group

"We look forward to working closely with the Data Center Association of the Philippines and sha fellow members of our solutions (Standby Turbine Generator) to help further accelerate the growth of the industry in the Philippines. We are thrilled to be part of the DCAP Community!"

**Muneyuki Nishi**  
Business Development Manager  
Kawasaki Heavy Industries

"Being part of DCAP allows us to connect with like-minded organizations and experts who are equally committed to excellence and advancement in our industry. Our membership is a step towards deeper involvement and contribution to the local and regional data center markets, which are pivotal to our strategic goals of fostering industry best practices and enhancing operational standards globally."

**Edward Van Leent**  
Chairman & CEO  
EPI Group of Companies
