DCAP AND AMCHAM HOLDS EXCLUSIVE FORUM "BUILDING THE FUTURE: A DEEP DIVE INTO PHILIPPINE DATA CENTERS"

Committed to its role as the VOICE OF THE INDUSTRY, DCAP Inc. in partnership with The American Chamber of Commerce of the Philippines, Inc. hosted a roundtable discussion that brought together select DCAP members, industry experts and business leaders to discuss recent data center industry updates.

Moderated by AMCHAM ICT Chair Don Felbaum, speakers and reactors including DCAP Co-founders and Board Members Steven Davis and Patrick Signo, Converge ICT Solutions Inc. Head of Innovation & Product Management Emil Baniqued and ST Telemedia Global Data Centres CEO Carlo Malana, shared the industry's current challenges, opportunities and strategies that will prepare the Philippines for hyperscale deployments in a highly competitive ASEAN market.

JCVA

"DCAP gives us the opportunity to learn from like-minded professionals who have the same advocacy - to grow and advance the data center sector in the Philippines. We look forward to share with its members our expertise in managing large complex projects for developers, operators, investors and other industry stakeholders.

We are elated to be finally part of DCAP and hopefully contribute to the growth of the association/organization."

Jason Romeo C. Valderrama, President & CEO
JCV & Associates Project Management and Development, Inc.

phelps dodge
One time investment. Lifetime protection

"Phelps Dodge Philippines is the country's foremost provider of wiring solutions, renowned for introducing innovative products and services across various markets. Our core values center on safety and quality. Joining DCAP enables us to collaborate with like-minded companies while providing essential products and services to the pioneering data center industry. We look forward to DCAP being a growth engine for both our company and the industry, showcasing the best of Filipino innovation. We are honored and excited to be part of this association."

Ernest Cuyegkeng, President & CEO
Phelps Dodge Philippines

SIEMENS HOSTS AN INTIMATE GATHERING FOR DCAP GOLD MEMBERS AND OTHER INDUSTY LEADERS

DCAP Board members Steven Davis, Patrick Signo & Victor Aliwalas, recently attended a gathering with some of DCAP Gold members and leaders of the Data Center industry, for the visit of Siemens ASEAN CEO, Dr. Thai Lai Phaml, who provided an overview of Siemens' DC business. During the event, Siemens was officially inducted as the newest DCAP member.

## VERTIV HOSTS A MASTERCLASS ON AI AND HPC WITH DATA CENTER THOUGHT LEADERS

The recent Vertiv Masterclass delved into the transformative impact of artificial intelligence (AI) and high-performance computing (HPC) on critical infrastructure and data centers.

A highlight of the event was a panel discussion titled, "Overcoming the Real-World Complexities of High-Density AI Deployments," featuring DCAP Chairman Steven Davis who shared valuable insights on navigating the challenges and opportunities posed by AI in data center environments.

L-R: <NAME>, ST Telemedia Global Data Centres CEO Carlo Malana, DCAP Chairman Steven J Davis, Vertiv's Simon Brady and VITRO Inc. President & CEO Victor S. Genuino
