MORE THAN 40 YEARS OF EXCELLENT SERVICE

OUTDOOR/INDOOR COMPOSITE SLAT WALL PANEL

Our composite wall panels are made of recycled PVC material with a woodgrain surface texture. This material allows for a durable and low-maintenance option in both exterior and interior applications.

The beauty of Wood Cladding is its versatility. Wood Cladding can be installed vertically, horizontally, on ceilings, or cut and arranged into patterns. Our panels are designed for flexibility and ease of installation—including DIY applications.

INTERIOR PANEL DIMENSIONS: 6 . 2 6" W X 9 . 5' H

EXTERIOR PANEL DIMENSIONS: 8 . 6" W X 9 . 5' H

WEIGHT: 1.92 LB/ FT

FACE SIZE : 8.62 IN X 1.02 IN

LENGTH: 7.218 FT

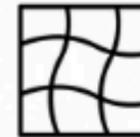

Waterproof Paneling

Our PVC realistic wood-like panels perform better than wood over time and are 100% **water and moisture proof**. Protect your investment and keep it dry.

Termite Proof

Leave the stress of termites behind and know that your Wood Cladding panels are **safe from termites—as well as other wood-eating insects** like carpenter bees.

Won't Bend or Warp

With time and weather, wood products warp, bend, and split. Our recycled PVC products bring **the look of wood without the maintenance** of real wood.

Color and Fade Resistant

When you're done building, you want your project to last. Our Wood Cladding panels are fade resistant and **retain 98% of their coloring** over 10 years.

Made from Recycled Materials

Our panels are made from recycled materials to **keep plastics out of landfills** and bring new life into the construction and interior design industries.

**OUR PANELS COME WITH A 10
YEAR COLOR-FADE WARRANTY
AND ARE DESIGNED TO LAST UP TO
25 YEARS.**

**DUE TO THE CHANGING NATURE OF
THE CONSTRUCTION INDUSTRY,
ONCE OUR PRODUCTS ARE
SHIPPED, WE CANNOT OFFER A
REFUND OR EXCHANGE OUTSIDE OF
STANDARD WARRANTY CLAIMS.**
