Dear Mrs Wasko,

You made reference to a sexual abuse allegation that was unfounded.

On 6-28-2018 my daughter was subjected to a vaginal exam due to apparently what I now know for the first time was a false call to the scr for me sexually abusing my daughter by Margaret Ingoglia.

The look on my 3 year old daughters face on the examination table going through this is something i will never forget.

This is abuse of my child, not to mention trying to put me in jail for incestuous pedophilia.

I don't care about me. I care about the fact that this was done to a child. My child.

I plead with you as a person to please provide me with the records you referred to regarding the accusation of such terrible abuse of my child.

I never received such evidence from ocfs.

No child should have to endure a vaginal exam due to a mother's fraud upon her and her father.

I plead with you AS A PERSON to please give me such records. If not for me, PLEASE TAKE A STAND FOR MY DAUGHTER.

You can call me anytime at 601 714 9251.

Sincerely,
Robert Malek

Mr. Malek,

You are referring to my recitation of the Stip Packet allegations that were both unfounded and indicated.

The sex abuse allegations against you were unfounded.

Oh my god...

So you are now thankfully confirming / informing that margaret ingoglia accused robert malek of sexually abusing his own 3 year old daughter, my daughter and with me present my daughter had to go through a vaginal exam with a look on my daughters face I will never forget and the whole thing was a fraud !?!?!? And acs concealed this for 4 years and filed on me ?!?!?!?

Did acs ever tell judge williams this ? No.

My poor daughter was scared scarred and traumatized as was I by a mother whom knowingly to you the judge and acs by not just a fraud but a misdemeanor of a totally false call to the scr that resulted in the medical ,psychological and sexual abuse of my child ?!?!?! Do You think when you have a child's vagina examined for sexual abuse by making false statements to a doctor through a gov agency isn't child abuse?!?!?! Of course you don't !

You as the judge write what you do below. I appreciate the truth of that but What about my child ?!

Even a grown woman would be traumatized. Do any of you women have concern though for the harm this causes my daughter ?! Any child?! Any girl ? Any daughter? This is barbaric !

On top of this, acs knew at the time that margaret lost 2 article 10s for abuse of her son not to mention now we have educational neglect and chronic illness on her record as well....

Acs also knew Margaret ingoglia made wild attempted murder and other bogus allegations to judge Maria arias about her sons father as well !

You are a judge, the judge and was previous to your appointment, a lawyer. What was done to my daughter was a crime and you know that. You know legally i am correct.

Why didn't acs ever divulge this ever in their case ? Why was it kept a secret upon my daughter and I ?!?!?!?! This is supposed to be about the welfare of children? As the judge, you think a rape exam via false allegations isn't child abuse ??!?! Of course you don't. You think this should have been an acs secret since 6-28-2018 !?!?! Of course not.

Acs should have taken action to protect my daughter immediately !

Judge wasko, this isn't right. Forget about me for a moment. What about margaret malek ? Did she deserve this ?!?!?! Is there anything you can do judge wasko ? You know this is truly wrong on my little girl and acs didn't care. I do and I hope you do too.

In addition, we have two indicated against this woman. One for educational neglect and another for chronic illness when my daughter and her son was placed with margaret ingoglia.

Can you take action on this judge wasko ? Even if my daughter wasn't placed with me of which I hope she would be but at the very least I need to know she is safe of which she certainly is not. Of course all her physical abuse and the poisoning evidence is on my website as well.

If you can do anything to help my daughter, please do. I'm here taking every action I can.

What is truly amazing here is we have a situation where i now know a crime was committed against my daughter and I, concealed by acs and acs files against me !?!?!

To make this matter more absurd judge wasko, is you attempted to read into a record that all of Robert Maleks calls to the scr were false, claiming collateral estoppel.

However, the collateral estoppel exists when acs and ocfs have determined upon their own records that many of my calls were not and there was no case that existed against Margaret Ingoglia upon the two indicated and several case open services from my calls to determine otherwise. In other words, you are reading into legal record a record upon OCFS records that YOU KNOW contradicts with OCFS records and such records were never before any judge to be determined except..... YOU. YOU ARE THAT JUDGE. NOT JUDGE WILLIAMS.

SO ONCE AGAIN, WE HAVE A MATTER HERE OF AN INDICATED AGAINST ROBERT MALEK ON A DAY, CONCEALED BY ACS, THAT MARGARET INGOGLIA DID COMMIT A MISDEMEANOR FOR FALSE SCR CALL UPON ME FOR THE STATE AND FEDERAL CRIME OF INCESTUOUS PEDOPHILIA OF MY CHILD (I AM NOT QUOTING THE SPECIFIC PENAL CODE VIOLATION OF STATE AND FEDERAL LAW HOWEVER FOR STARTERS WE ARE LOOKING AT RAPE IN THE 1ST DEGREE) AND DID COMMIT MEDICAL, SEXUAL ABUSE OF MY CHILD VIA FALSE ALLEGATIONS TO THE SCR AND ACS. THIS MATTER HAS NEVER AND I REPEAT AND STATE THIS UNDER PENALTY OF PERJURY, NEVER BEEN UTTERED BY ACS AND NEVER PROVIDED BY ACS IN DISCOVERY. ON A DAY THAT THEIR CLIENT COMMITTED TWO CRIMES AGAINST FATHER AND DAUGHTER, ACS FILED UPON..... ME ?!?!?! REGARDING JOE PALOMINO, RIGHT IN THE ACS RECORDS AND RIGHT ON MY WEBSITE, ACS HAS PREVIOUSLY DETERMINED THAT JOSEPH PALOMINO (WHICH WAS ACTUALLY JOE AND MARGARET) MADE FALSE CRIMINAL ALLEGATIONS AGAINST HIS FATHER AS WELL AND SUCH RECORD CAN BE SEEN ON MY WEBSITE....

Judge Wasko, the revelation of this, by you as being the judge in the agency court of ocfs that contained this shocking record supervises the actions of child welfare in the state of new york. Your uncovering the concealment of this i believe you know and i have extensive case law i can provide to you right to the supreme court, violates due process and equal protection of law in reference to nys const # 11 and federal # 14.

Furthermore, an agency also has to make a decision upon the record and cannot discriminate in picking and choosing whom to take action upon for their indicated since such violates nys const. 11 for equal protection of law not just for me but for the children.

If you say your hands are tied via collateral estoppel, let me untie your hands. ACS took action against me proffering false records and concealing records that existed in the OCFS database.

Thank you Judge Wasko for bringing to light such crime and concealment of crime and violation of due process upon my daughter and I. I truly appreciate your honesty.

I have another question though that maybe you can find out for me. Did the attorney for the child know about this concealment ?

Sincerely,
Robert Malek

This is a 42 usc 1985 conspiracy to conceal this matter of sexual abuse of my daughter for 4 years.

In addition, the attempt for ocfs, acs and judge wasko to read into a record upon state records, knowingly false and fraudulent facts against robert malek.

I expect Sheila poole, Jess dannhauser, attorney general to take action regarding concealing the known sexual abuse of my child by acs and ocfs and all matters herein.

I also expect contact by the brooklyn das office immediately as to this matter for investigation and prosecution.

This is a violation of 18us3283 as well...

Either I am amending 22 cv 913 or filing a new federal complaint regarding this matter.

Judge wasko, you are a corrupt disgrace and you will be a defendant. I will not appear on March 28 or any other date before you... You took part in violating my state and federal due process rights.

*****Judicial commission I am making a complaint against this judge judge wasko for ignoring sexual abuse of my child and furthermore, attempting to read into the record upon robert malek information as to my calls to the scr that they were all unfounded when in ocfs records and acs records it states many of my calls were in fact founded and thanks to me, service provided to the famiy that may not have occurred otherwise. Judge wasko knowingly took part in the fraud. I am being punished for protecting my famiky and reporting their abuse as required by law and of course morally sound for any parent.

Dear Mrs Wasko,

You made reference to a sexual abuse allegation that was unfounded.

On 6-28-2018 my daughter was subjected to a vaginal exam due to apparently what I now know for the first time was a false call to the scr for me sexually abusing my daughter by Margaret Ingoglia.

The look on my 3 year old daughters face on the examination table going through this is something i will never forget.

This is abuse of my child, not to mention trying to put me in jail for incestuous pedophilia.

I don't care about me. I care about the fact that this was done to a child. My child.

I plead with you as a person to please provide me with the records you referred to regarding the accusation of such terrible abuse of my child.

I never received such evidence from ocfs.

No child should have to endure a vaginal exam due to a mother's fraud upon her and her father.

I plead with you AS A PERSON to please give me such records. If not for me, PLEASE TAKE A STAND FOR MY DAUGHTER.

You can call me anytime at 601 714 9251.

Sincerely,

Robert Malek

This is a 42 usc 1985 conspiracy to conceal this matter of sexual abuse of my daughter for 4 years.

In addition, the attempt for ocfs, acs and judge wasko to read into a record upon state records, knowingly false and fraudulent facts against robert malek.

I expect Sheila poole, Jess dannhauser, attorney general to take action regarding concealing the known sexual abuse of my child by acs and ocfs and all matters herein.

I also expect contact by the brooklyn das office immediately as to this matter for investigation and prosecution.

This is a violation of 18us3283 as well...

Either I am amending 22 cv 913 or filing a new federal complaint regarding this matter.

Judge wasko, you are a corrupt disgrace and you will be a defendant. I will not appear on March 28 or any other date before you... You took part in violating my state and federal due process rights.

***** Judicial commission I am making a complaint against this judge judge wasko for ignoring sexual abuse of my child and furthermore, attempting to read into the record upon robert malek information as to my calls to the scr that they were all unfounded when in ocfs records and acs records it states many of my calls were in fact founded and thanks to me, service provided to the famiy that may not have occurred otherwise. Judge wasko knowingly took part in the fraud. I am being punished for protecting my famiky and reporting their abuse as required by law and of course morally sound for any parent.

Ardaisha Hudson is the piece of shit acs worker whom took direct part in the crime of sexual abuse of my child and Christiani knew about this and concealed it as her supervisor.

Sincerely,
Robert Malek

Oh my god...

So you are now thankfully confirming / informing that margaret ingoglia accused robert malek of sexually abusing his own 3 year old daughter, my daughter and with me present my daughter had to go through a vaginal exam with a look on my daughters face I will never forget and the whole thing was a fraud !?!?!? And acs concealed this for 4 years and filed on me !?!?!?

Did acs ever tell judge williams this ? No.

My poor daughter was scared scarred and traumatized as was I by a mother whom knowingly to you the judge and acs by not just a fraud but a misdemeanor of a totally false call to the scr that resulted in the medical ,psychological and sexual abuse of my child !?!?!? Do You think when you have a child's vagina examined for sexual abuse by making false statements to a doctor through a gov agency isn't child abuse?!?!?! Of course you don't !

You as the judge write what you do below. I appreciate the truth of that but What about my child ?!

Even a grown woman would be traumatized. Do any of you women have concern though for the harm this causes my daughter ?! Any child?! Any girl ? Any daughter? This is barbaric !

On top of this, acs knew at the time that margaret lost 2 article 10s for abuse of her son not to mention now we have educational neglect and chronic illness on her record as well....

Acs also knew Margaret ingoglia made wild attempted murder and other bogus allegations to judge Maria arias about her sons father as well !

You are a judge, the judge and was previous to your appointment, a lawyer. What was done to my daughter was a crime and you know that. You know legally i am correct.

Why didn't acs ever divulge this ever in their case ? Why was it kept a secret upon my daughter and I !?!?!?! This is supposed to be about the welfare of children? As the judge, you think a rape exam via false allegations isn't child abuse ??!?!?! Of course you don't. You think this should have been an acs secret since 6-28-2018 !?!?!? Of course not.

Acs should have taken action to protect my daughter immediately !

Judge wasko, this isn't right. Forget about me for a moment. What about margaret malek ? Did she deserve this !?!?!? Is there anything you can do judge wasko ? You know this is truly wrong on my little girl and acs didn't care. I do and I hope you do too.

In addition, we have two indicated against this woman. One for educational neglect and another for chronic illness when my daughter and her son was placed with margaret ingoglia.

Can you take action on this judge wasko ? Even if my daughter wasn't placed with me of which I hope she would be but at the very least I need to know she is safe of which she certainly is not. Of course all her physical abuse and the poisoning evidence is on my website as well.

If you can do anything to help my daughter, please do. I'm here taking every action I can.

What is truly amazing here is we have a situation where i now know a crime was committed against my daughter and I, concealed by acs and acs files against me !?!?

To make this matter more absurd judge wasko, is you attempted to read into a record that all of Robert Maleks calls to the scr were false, claiming collateral estoppel.

However, the collateral estoppel exists when acs and ocfs have determined upon their own records that many of my calls were not and there was no case that existed against Margaret Ingoglia upon the two indicated and several case open services from my calls to determine otherwise. In other words, you are reading into legal record a record upon OCFS records that YOU KNOW contradicts with OCFS records and such records were never before any judge to be determined except..... YOU. YOU ARE THAT JUDGE. NOT JUDGE WILLIAMS.

SO ONCE AGAIN, WE HAVE A MATTER HERE OF AN INDICATED AGAINST ROBERT MALEK ON A DAY, CONCEALED BY ACS, THAT MARGARET INGOGLIA DID COMMIT A MISDEMEANOR FOR FALSE SCR CALL UPON ME FOR THE STATE AND FEDERAL CRIME OF INCESTUOUS PEDOPHILIA OF MY CHILD (I AM NOT QUOTING THE SPECIFIC PENAL CODE VIOLATION OF STATE AND FEDERAL LAW HOWEVER FOR STARTERS WE ARE LOOKING AT RAPE IN THE 1ST DEGREE) AND DID COMMIT MEDICAL, SEXUAL ABUSE OF MY CHILD VIA FALSE ALLEGATIONS TO THE SCR AND ACS. THIS MATTER HAS NEVER AND I REPEAT AND STATE THIS

UNDER PENALTY OF PERJURY, NEVER BEEN UTTERED BY ACS AND NEVER PROVIDED BY ACS IN DISCOVERY. ON A DAY THAT THEIR CLIENT COMMITTED TWO CRIMES AGAINST FATHER AND DAUGHTER, ACS FILED UPON..... ME ?!?!? REGARDING JOE PALOMINO, RIGHT IN THE ACS RECORDS AND RIGHT ON MY WEBSITE, ACS HAS PREVIOUSLY DETERMINED THAT JOSEPH PALOMINO (WHICH WAS ACTUALLY JOE AND MARGARET) MADE FALSE CRIMINAL ALLEGATIONS AGAINST HIS FATHER AS WELL AND SUCH RECORD CAN BE SEEN ON MY WEBSITE....

Judge Wasko, the revelation of this, by you as being the judge in the agency court of ocfs that contained this shocking record supervises the actions of child welfare in the state of new york. Your uncovering the concealment of this i believe you know and i have extensive case law i can provide to you right to the supreme court, violates due process and equal protection of law in reference to nys const # 11 and federal # 14.

Furthermore, an agency also has to make a decision upon the record and cannot discriminate in picking and choosing whom to take action upon for their indicated since such violates nys const. 11 for equal protection of law not just for me but for the children.

If you say your hands are tied via collateral estoppel, let me untie your hands. ACS took action against me proffering false records and concealing records that existed in the OCFS database.

Thank you Judge Wasko for bringing to light such crime and concealment of crime and violation of due process upon my daughter and I. I truly appreciate your honesty.

I have another question though that maybe you can find out for me. Did the attorney for the child know about this concealment ?

Sincerely,
Robert Malek
