Design Collective

## About Us

At Finishline Ventures Corporation, our vision is to become the unrivaled leader in distribution of finishing materials that set new standards in design trends. We strive to continuously curate and deliver a diverse range of cutting-edge products that inspire and transform spaces.

We aim to empower the design community with unparalleled choices, ensuring that Finishline Ventures Corporation remains the ultimate destination for trendy and superior finishing products in the world of design.

VISION

# MISSION

To our customers

To provide distribution service dedicated to sourcing and offering a comprehensive range of products, enabling our clients to transform their spaces into captivating and functional environments.

To our partners

We aim to build strategic and lasting relationships with our attentive customer support, making Finishline Corporation the preferred choice for design professionals and homeowners seeking trendy and superior finishing materials that elevate their projects to new heights.

## **Quality**

We are committed to delivering the highest quality standards in our products, operations and customer support.

## **Continuous Improvement**

We encourage feedback and collaboration as a way of constantly learning and growing. By improving our products and processes, we stay responsive to the evolving needs of our customers.

## **Integrity**

We exercise honesty, loyalty, respect and responsibility in all aspects of our business.

We uphold the highest standards of professionalism in managing our partners, customers and employees.
