Partners and Friends,

Founded 27 years ago, the South Suburban Cultural Enrichment Organization (SSCEO) is a private, not-for-profit organization that nurtures the talents of exceptional students and provides scholarships to help them pursue their academic pursuits.

Our journey is steered by a passionate group of 20 women who generously volunteer their time and efforts on our board. Together, we go above and beyond to empower our teens, enriching their lives with diverse experiences extending beyond the classroom walls.

From exhilarating horseback rides to heartfelt community service initiatives, from striking strikes at the bowling alley to refining social grace with etiquette training, and from fostering financial literacy in workshops, we ensure that our students are equipped with not just academic excellence, but also a comprehensive set of life skills.

We invite you to join us as a sponsor in our 26th year. As a sponsor or donor, you will help empower college-bound students and support vital community programs. In return, your business or service will gain visibility through our website, social media, organizational communications, and event-night digital recognition.

Your support is invaluable to us. Whether as a sponsor or a donor, your contribution helps build the foundation for our deserving students' futures. Join us in celebrating and standing with our Board as we reaffirm our commitment to cultivating the next generation of leaders. Together, we will illuminate their path to success and ensure that every dream gets the chance to take flight. Help us make an impact—one student at a time.

Regards,

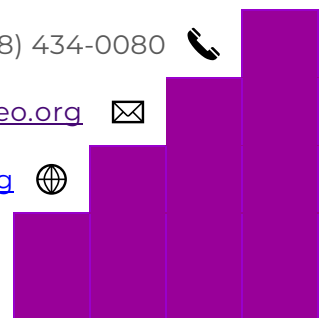

Yvette Moten
President, SSCEO
