Partners and Friends,

Founded 25 years ago, the South Suburban Cultural Enrichment Organization (SSCEO) is a private, not-for-profit organization that nurtures the talents of exceptional students and provides scholarships to help them pursue their academic pursuits.

Our journey is steered by a passionate group of 17 women who generously volunteer their time and efforts on our board. Together, we go above and beyond to empower our teens, enriching their lives with diverse experiences extending beyond the classroom walls.

From exhilarating horseback rides to heartfelt community service initiatives, from striking strikes at the bowling alley to refining social graces in etiquette training, and from fostering financial literacy in workshops, we ensure that our students are equipped with not just academic excellence, but also a comprehensive set of life skills.

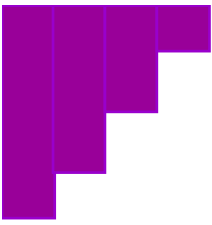

The South Suburban Cultural Enrichment Organization (SSCEO) is excited to host its 25th Anniversary Cotillion/Beautillion Society Ball fundraiser. The goal is to raise \$25,000 in scholarships. The event will be held on Sunday, April 27, 2025, from 4:00 p.m. to 10:00 p.m. at the Tinley Park Convention Center.

We invite you to participate as a Sponsor in this special event. As a sponsor or donor to this organization, you will not only assist college-bound students in achieving their educational goals and supporting community programming, but your business or service will be recognized by a target group of consumers through social media, our website, communications sent by our organization, and digital recognition on the night of the event.

Your support means the world to us. Whether you are a sponsor or a donor, your contribution will help shape our deserving students' futures. We urge you to join the celebration and stand alongside the board as we continue our unwavering commitment to nurturing the next generation of leaders. Together, let's light the way for their success and ensure that every dreamer has the opportunity to soar. Join us in making a difference, one scholarship at a time.

Regards,

Yvette Moten
President, SSCEO
