### **Swimming Pool Adjustment Policy**

It is the policy of the Town of Nutter Fort to adjust sewer bills one (1) time each calendar year when a customer fills a swimming pool/hot tub.

To be eligible for an adjustment, the following conditions must be met:

- Contact Town Hall at least five (5) business days prior to filling the swimming pool/hot tub
- Customer must request and complete a "Swimming Pool Adjustment Form"
- Only applies if the water is not discharged into the sanitary sewer
- Public Works personnel must inspect and verify dimensions and discharge of the pool/hot tub
- Pool/hot tub must be of a stationary design with a means of filtration
- Only one (1) filling/partial filling will be credited per calendar year
- Customer account balance must be current (no past due balances)

This updated policy, effective July 27, 2022, duly adopted by a quorum vote at the regularly scheduled Council Meeting of the Town of Nutter Fort held July 26, 2022.
