New Business

1. Employee Matter Discussion addressing the issue brought to Council by Kuz Nasseri at the 11/9/21 Council meeting: following public comments, Charlene made a motion to go into executive session @ 6:18pm with second by Karen Phillips. Passed by unanimous vote. Back in session @ 7:02pm. No attendees returned to the meeting.

Public Comment - Dave Nuzum & Linda Griffith spoke on this matter from 7/7/2020 when the town was in a complete disaster after brief and severe rain that caused significant flash flooding. Both spoke in support of the work done by Mr. Keith and Public Works. Mr. Nuzum was there with Mr. Keith as a responder with the Fire Dept. There were multiple emergency calls that evening making it impossible to keep up with street and residential flooding.

Meeting adjourned @ 7:04PM by acclamation from Mayor.
